Beware! Dangerous secrets lie between the pages of this book. OK, I warned you. But if you think I'll give anything away, or tell you that this is the sequel to my first literary endeavor, The Name of This Book is Secret, you're wrong. I'm not going to remind you of how we last left our heroes, Cass and Max-Ernest, as they awaited initiation into the mysterious Terces Society, or the ongoing fight against the evil Dr. L and Ms. Mauvais. I certainly won't be telling you about how the kids stumble upon the Museum of Magic, where they finally meet the amazing Pietro! Oh, blast! I've done it again. Well, at least I didn't tell you about the missing Sound Prism, the nefarious Lord Pharaoh, or the mysterious creature born in a bottle over 500 years ago, the key to the biggest secret of all. I really can't help myself, now can I? Let's face it - if you're reading this, it's too late.

In this sequel to The Name of This Book is Secret, Cass and Max-Ernest are involved in another grand mystery-solving adventure to find out the secret of the Terces Society so that they can finally figure out how to thwart the evil plots of Ms. Mauvais and Dr. L. once and for all. Reprint.

Mike was seven when his father was killed in mysterious circumstances in Afghanistan. Eight years later, the family still hasn't recovered: Mike's mom is overworked and overprotective; his younger sister Mary feels no connection to the father she barely remembers; and in his quest to be "the man of the family," Mike knows he's missing out on everyday high school life. Then, out of the blue, Mike receives a letter from his father-- the first of a series Dad wrote in Afghanistan, just in case he didn't come home, meant to share some wisdom with his son on the eve of Mike's 16th birthday. As the letters come in, Mike revels in spending time with his dad again, and takes his encouragement to try new things-- to go out for the football team, and ask out the beautiful Isma. But who's been keeping the letters all these years? And how did Dad actually die? As the answers to these mysteries are revealed, Mike and his family find a way to heal and move forward at last.

If you didn't read "The Name of This Book is SECRET", then this is another book you should definitely NOT read. No, really. There's a terrible monster grown in a lab, a strange carved ball that sings of distant secrets, and an evil threat against the mysterious Terces Society. And you really shouldn't visit www.ifyoureadingthisistoolate.co.uk. You won't like it. "This is the quirky, original and deliciously dark sequel to the hilarious "The Name of This Book is Secret". Bursting with inventive characters and laugh-out-loud moments, readers will be instantly hooked once more by the stylish storytelling of Pseudonymous Bosch." - Lovereading4kids.co.uk

The bright, funny and wild story of an acrobat from Hamburg who decided to become the King of Albania, succeeded, and fell in love along the way Otte Witte is an old man. The Allies are raining bombs on his city and, having narrowly escaped death, he has come home to his little caravan to drink what remains of his coffee (dust) and wait for the inevitable. Convinced that he will not see the sunrise, he decides to write the story of his life for the poor soul who finds what's left of him come the morning. And it's quite a story. Years earlier, when he was in either Buda or Pest, working in the circus, a dear friend showed him a newspaper article: Albania was searching for a long-lost Turkish prince to be the new king. The Turkish prince was the image of Otto. . . A plan was formed; adventure, disaster, love and sheer, unabashed hope followed. If You're Reading This, I'm Already Dead is a joy to read; accomplished and full of the warmth, honesty and lightness of touch for which Andrew Nicoll is known and loved.

"In this brilliant and profoundly moving collection of farewell letters written by servicemen and women to their loved ones, Sin Price offers a remarkable insight into the hearts and minds of some of the soldiers, sailors and airmen of the past three hundred years.Each letter provides an enduring snapshot of an impossible moment in time when an individual stares death squarely in the face. Some were written or dictated as the person lay mortally wounded; many were written on the eve of a great charge or battle; others were written by soldiers who experienced premonitions of their death, or by kamikaze pilots and condemned prisoners. They write of the grim realities of battle, of daily hardships, of unquestioning patriotism or bitter regrets, of religious fervor or political disillusionment, of unrelenting optimism or sinking morale and above all, they write of their love for their family and the desire to return to them one day.Be it an epitaph dictated on a Napoleonic battlefield, a staunch, unsentimental letter written by a Victorian officer, or an email from a soldier in modern day Afghanistan, these voices speak eloquently and forcefully of the tragedy of war and answer that fundamental human need to say goodbye."

Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

#1 New York Times Bestseller A touching, funny, heart-wrenching, and triumphant memoir from one of the biggest names in radio, the host of The Bobby Bones Show, one of the most listened-to drive time morning radio shows in the nation. Growing up poor in Mountain Pine, Arkansas, with a young, addicted mom, Bobby Estell fell in love with country music. Abandoned by his father at the age of five, Bobby saw the radio as his way out—a dream that came true in college when he went on air at the Henderson State University campus station broadcasting as Bobby Bones, while simultaneously starting The Bobby Bones Show at 105.9 KLAZ. Bobby 's passions were pop, country music, and comedy, and he blended the three to become a tastemaker in the country music industry, heard by millions daily. Bobby broke the format of standard country radio, mixing country and pop with entertainment news and information, and has interviewed some of the biggest names in the business, including Luke Bryan, Taylor Swift, Blake Shelton, Tim McGraw, Lady Antebellum, and Jason Aldean. Yet despite the glamour, fame, and money, Bobby has never forgotten his roots, the mom and grandmother who raised him, the work ethic he embraced which saved him and encouraged him to explore the world, and the good values that shaped him. In this funny, poignant memoir told in Bobby 's distinctive patter, he takes fans on a tour of his road to radio. Bobby doesn 't shy away from the curves he continues to navigate—including his obsessive-compulsive disorder—on his journey to find the happiness of a healthy family. Funny and tender, raw and honest, Bare Bones is pure Bobby Bones—surprising, entertaining, inspiring, and authentic.
