they need it most.

Early in its history,
anthropology was a
visual as well as
verbal discipline. But
as time passed,
visually oriented
professionals became
a minority among
their colleagues, and
most anthropologists

Read Book

Image Apple

used written words

rather than

audiovisual modes as

their professional

means of

communication.

Today, however,

contemporary

electronic and

interactive media

once more place

visual anthropologists

and anthropologically

oriented artists within

Read Book

Image Apple

the mainstream.

Digital media, small-sized and easy-to-use equipment, and the Internet, with its interactive and public forum websites, democratize roles once relegated to highly trained professionals alone. However, having access to a good set of tools does not
