Nevertheless, through f38 JESUS and the JEWISH ROOTS of the EUCHARIST a series of events involving Joseph and the twelve sons of Jacob, the descendants of Abraham, Isaac, and Jacob eventually ended up living in Egypt, outside the promised land, for some four hundred years, until the time of Moses (Genesis 37-50).

~~Jesus and the Jewish Roots of the Eucharist | Brant Pitre ---~~

Dr. Pitre is my favorite religious author and he has another gem her with Jesus and the Jewish Roots of Mary. By looking at Mary with 1st century Jewish eyes in light of the Old Testament he confirms what the Church has believed and taught about Mary from the first centuries such as "ever virgin," the Immaculate Conception and the Assumption.

~~Jesus and the Jewish Roots of Mary: Unveiling the Mother ---~~

Roman colonialists coined the word "Palestine" in order to insult the native Jewish population with the memory of their ancient enemies, the Philistines. "Long after Jesus, the Romans replaced the name 'Judea' — which obviously not only references the Jews but was also the name used during Jesus' ministry," Miller says.

~~Jesus and the Jewish Roots of the Eucharist ---~~

In recent years, Christians everywhere are rediscovering the Jewish roots of their faith. Every year at Easter time, many believers now celebrate Passover meals (known as Seders) seeking to understand exactly what happened at Jesus' final Passover, the night before he was crucified. Jesus and the Jewish Roots of the Eucharist shines fresh light on the Last Supper by looking at it through Jewish eyes. Using his in-depth knowledge of the Bible and ancient Judaism, Dr. Brant Pitre answers questions such as: What was the Passover like at the time of Jesus? What were the Jewish hopes for the Messiah? What was Jesus' purpose in instituting the Eucharist during the feast of Passover? And, most important of all, what did Jesus mean when he said, "This is my body... This is my blood"? To answer these questions, Pitre explores ancient Jewish beliefs about the Passover of the Messiah, the miraculous Manna from heaven, and the mysterious Bread of the Presence. As he shows, these three keys—the Passover, the Manna, and the Bread of the Presence—have the power to unlock the original meaning of the Eucharistic words of Jesus. Along the way, Pitre also explains how Jesus united the Last Supper to his death on Good Friday and his Resurrection on Easter Sunday. Inspiring and informative, Jesus and the Jewish Roots of the Eucharist is a groundbreaking work that is sure to illuminate one of the greatest mysteries of the Christian faith: the mystery of Jesus' presence in "the breaking of the bread." From the Hardcover edition.

Examines the Last Supper from a Jewish perspective, describing Passover during the time of Jesus Christ and the meaning behind his Eucharistic words, and discussing ancient Jewish beliefs about the Passover, the Manna, and the Bread of Presence.

The bestselling author of "Jesus and the Jewish Roots of the Eucharist" casts new light on the Virgin Mary, illuminating her role in the Old and New Testaments.

This volume delineates the link between Judaism and Christianity, between Old and the New Testaments, and calls Christians to reexamine their Hebrew roots so as to effect a more authentically biblical lifestyle.

This volume investigates the Jewish cultural matrix that gave rise to the veneration of Jesus in the early Christianity. Specifically, this study examines Christian origins, the context of Jewish monotheism, Jewish divine mediator figures and the Christian practice of worshipping Jesus.

Discover the Jewish Jesus ?What relevance does it have for us that Jesus is Jewish and what difference should it make to our faith? In The Jewish Jesus, David Hoffbrand explores the answers to these and related questions in a way that is accessible to everyone. As you see how Jesus lived, thought and taught as a Jewish man, you will come to know Him like never before, and find that His teachings come alive in their original context. This book will also help you: Appreciate the Jewish context of the whole Bible, reconnecting the Old and New Testaments. Rediscover God's heart and purposes for the Jewish people and Israel. Engage with God's blueprint for the church as a unified but diverse community of believers. Learn principles that will help you restore the Jewish lens in a way that enriches your faith. It's time to discover the Jewish Jesus!

This is a comprehensive handbook that serves as an introduction to the Jewish roots of the Christian Faith. It includes Old Testament background, Second Temple Judaism, the life of Jesus, the New Testament, and the early Jewish followers of Jesus. It is no longer a novelty to say that Jesus was a Jew. In fact, the term "Jewish roots" has become something of a buzzword in books, articles, and especially on the internet. But what does the Jewishness of Jesus actually mean, and why is it important? This collection of articles aims to address those questions and serve as a comprehensive yet concise primer on the Jewish roots of the Christian faith. It consists of thirteen chapters, most of which are divided into four or five articles. It is in the "handbook" format, meaning that each article is brief but informative. The thirteen chapters are grouped into four major sections: (1) The Soil, (2) The Roots, (3) The Trunk, and (4) The Branches. Craig A. Evans, PhD, DHabil, is the Hohn Bisagno Distinguished Professor of Christian Origins at Houston Baptist University in Texas. He is a frequent contributor to scholarly journals and the author or editor of over seventy books. Editor resides in Houston, TX. David Mishkin, PhD, serves on the faculty os Israel College of the Bible in Netanya, Israel. He is the author of The Wisdom of Alfred Edersheim and Jewish Scholarship on the Resurrection of Jesus. Editor resides in Fort Wayne, Indiana.

"This book will prove to be a most effective weapon... against the debunking and skeptical attitudes toward the Gospels that are so prevalent, not only in academe, but also on the street, among young people who, sadly, are leaving the Churches in droves." – Robert Barron, author of Catholicism For well over a hundred years now, many scholars have questioned the historical truth of the Gospels, claiming that they were originally anonymous. Others have even argued that Jesus of Nazareth did not think he was God and never claimed to be divine. In The Case for Jesus, Dr. Brant Pitre, the bestselling author of Jesus and the Jewish Roots of the Eucharist, goes back to the sources—the biblical and historical evidence for Christ—in order to answer several key questions, including: • Were the four Gospels really anonymous? • Are the Gospels folklore? Or are they biographies? • Were the four Gospels written too late to be reliable? • What about the so-called "Lost Gospels," such as "Q" and the Gospel of Thomas? • Did Jesus claim to be God? • Is Jesus divine in all four Gospels? Or only in John? • Did Jesus fulfill the Jewish prophecies of the Messiah? • Why was Jesus crucified? • What is the evidence for the Resurrection? As The Case for Jesus will show, recent discoveries in New Testament scholarship, as well as neglected evidence from ancient manuscripts and the early church fathers, together have the potential to pull the rug out from under a century of skepticism toward the traditional Gospels. Above all, Pitre shows how the divine claims of Jesus of Nazareth can only be understood by putting them in their ancient Jewish context.

Are your roots firmly grounded in Scripture? The destiny of Israel and the Christian Church is bound together, evident in the Scriptures. Learning this truth is essential for survival. Jewish Roots—A Foundation of Biblical Theology is an introduction to biblical theology from a Jewish contextual point of view plus practical evaluation and council for the Messianic Jewish communities and the Christian Church. Jewish Roots presents the fundamentals regarding biblical theology, Israel and the Church, the Jewish people, the Messianic Jewish community, and much more. Important matters are discussed such as the relationship of law and grace, the role of the Spirit, and an approach to Judaism. This new edition considers recent biblical scholarship and evaluates the progress of the Messianic Jewish community—a pulsating grass roots movement among Jewish and non-Jewish followers of Jesus of Nazareth who recognize and identify with their Jewishness. Messianic Judaism and Messianic Jewish biblical theology are significant not only to those who are part of Messianic Jewish congregations—indeed, because the destiny of Israel and the Church is bound together, Messianic Jewish theology has implications of great importance for all people worldwide.

Jesus or Yeshua: Exploring the Jewish Roots of Christianity It has taken 2000 years for the Jewish roots of Christianity to be yanked out of its Hebraic origins. The Jewish or Gentile follower of Jesus who reads Jesus or Yeshua: Exploring the Jewish Roots of Christianity will discover that much of the everyday Christian terminology is strongly connected to the original Jewish background of the establishment of Christianity. For the inquisitive seeker Lapidés fills in many blanks to help gain a deeper understanding of the messianic faith. Lapidés takes into account typical Christian lingo can confuse both Jewish and Gentile newcomers to Christianity. His goal in compiling this brief 32 page guide is to help Gentile believers recognize certain "Christian" terms that have been historical stumbling blocks to Jewish seekers. In addition, Lapidés aims to help Jewish people gain an appreciation for the deeper meaning of various Christian expressions.
