"The best-ever account of life on the PGA tour" (Golf Magazine): John Feinstein's bestselling classic is a must-read for anyone who loves the game of golf. Traveling with the golfers on the PGA Tour, Feinstein gets inside the heads of the game's greatest players as well as its struggling wannabes. Meet superstars like Nick Price, who nailed a fifty-foot putt at the seventeenth to win the British Open, and Paul Azinger, who marked his return from a bout with cancer with an emotional appearance at the Buick Open. Go behind the scenes for Davis Love III's unforgettable come-from-behind victory in the Ryder Cup. In golf, Feinstein eloquently relates, the line that separates triumph from disappointment is incredibly fine. "One week you've discovered the secret to the game; the next week you never want to play it again."

Sherrie Daly, the former wife of PGA tour superstar John Daly, takes a swing at the controversial man they call "Wild Thing" in this jaw-dropping memoir about what really goes on behind the scenes of professional golf. Golf's wholesome reputation is not what it used to be, thanks to Tiger Woods. But Woods's bad boy scorecard doesn't even compare to that of the sport's original player: John Daly. Sherrie Daly should know. She was married to him for nine years. It's no secret that John, one of the PGA tour's most popular stars, is known for his erratic behavior and on-the-edge lifestyle as much as for his powerful, grip-it-and-rip-it style on the green. But the never-ending carousel of free-flowing cash, booze, and women seduces many of the sport's big-time swingers. In this juicy tell-all, Sherrie takes readers into the clubhouse to expose the seedy side of the gentleman's game. She dishes on John's out-of-control antics throughout their marriage, many of which she helped cover up to protect his career, and his self-destructive addictions to whiskey, sex, and gambling, which led him to lose one of his biggest purses ever—nearly one million dollars—in an hour. She writes candidly about the physical and emotional abuse she endured and why she continued to play the role of golf

wife despite the trashed hotel rooms, wrecked homes, and demolished cars. Then she turns the tables on herself, sharing the truth behind her catfights with his girlfriends, her legal troubles, and especially the night John alleged she attacked him with a steak knife. Behind the polite clapping, collared shirts, and hushed voices, golf is just like any other professional sport, with groupies, party-crazed athletes, and blatant infidelity. After years in the exclusive players' wives club, Sherrie Daly is Teed Off and ready to rip the game's well-groomed façade to shreds.

If you know anything at all about John Daly—and if you don't, what in the hell are you doing with this book in your hands?—you know he approaches the game of golf from an, uh, slightly different perspective than your average two-time major winner. How different? Well, for starters, Long John thinks the PGA Tour ought to permit Bermuda shorts, make carts mandatory, let him wear his hair down to his butt if he wants to, and strip-search tournament patrons at the entrance gate to keep cameras and cell phones off the course. In *Golf My Own Damn Way*, you'll take a virtual ride on Big John's magic bus as he tells you the best way to grip it so you can rip it. Looking for a sure cure to bunkerphobia? It's here. A one-hour golf lesson that's 100 percent guaranteed to make you a better golfer? Ditto. Want to know why you should occasionally leave your big dog in your trunk, how to watch your weight, and what golf and sex have in common? You came to the right book. And while he's busy explaining all these and many other things, Daly also tells you why you should keep your head out of the game, let your belly lead your hands, listen to your right foot, check your ball position—and buy a hybrid (the club, not the car). Following in the spike prints of his 2006 bestselling autobiography, *My Life In and Out of the Rough*, *Golf My Own Damn Way* is an off-the-wall and intensely personal yet imminently practical and accessible tip sheet on how to cut ten strokes off your score—now. Two things are certain: you've never seen a golf instructional book quite like this

This is a love story; an unlikely convergence of two people from different worlds who were able to make a rich and tender life together, and not only endure each other's company in alarmingly close quarters but revel in it. Edith Iglauer was born in Cleveland and lived an urban, sophisticated life in New York until she met and married John Daly, a commercial fisherman in British Columbia. She spent more than four years on his forty-one-foot troller, the Morekelp until his sudden death. John Daly was an impassioned and greatly talented fisherman who was convinced that he could "think like a fish"; an amateur philosopher who worked out, and followed, an original set of beliefs and principles; a mystic who, after forty years of fishing, felt himself to be at one with the sea and the mountains along the British Columbia coast; a scholarly looking, high-spirited, full-blown eccentric who covered the white walls of his pilothouse with his favorite quotations in bold black letters ("Lawyers spend their professional careers shoveling smoke. O.W. Holmes") Fishing with John established Edith Iglauer as one of BC's most popular writers. This unusual West Coast love story sold 16,000 copies in hardcover and continues to be a bestseller in paperback.
