Do your desires have you going around in circles? You may be looking for fulfillment in all the wrong places. You vowed you 'd never repeat the same mistakes—yet you find yourself right where you started. What is it that keeps drawing you back into the same old traps? The fact is, your longings are built from the blueprint of your needs: for protection, for love, for God. And those needs aren ' t going anywhere. Sheila speaks candidly about the trials in her life, including the heartache of her first marriage, and intertwines her story with the biblical saga of King David. As both Sheila ' s and David ' s stories make clear, some cravings are misguided, but they all stem from the same hunger—and they will haunt you until that hunger gets satisfied properly. If you keep reaching out to the wrong people at the wrong times in your own life, *The Longing in Me* will help you understand that your cravings are not the problem. It ' s where they lead you that makes all the difference.

Davie Jones—an ugly duckling growing up in small-town Mississippi with a mother who couldn't get any meaner—is positive her life couldn't be any worse. Just when she's resigned herself to her fate, she sees a movie that will change her life—*Sixteen Candles*. But in her case, life doesn't imitate art. Tormented in school and hopelessly in unrequited love with a handsome football player, Davie finds it bittersweet to dream of Molly Ringwald endings. When a cruel school prank goes too far, Davie leaves the life she knows and reinvents herself in the glittery world of Hollywood—as a beautiful and successful lounge singer. Just as she's about to ride off into the L.A. sunset, the past comes back with a vengeance, threatening to crush Davie's dreams—and break her heart again. With wholly original characters and a cinematic storyline, *32 Candles* introduces Ernessa T. Carter, a new voice in fiction with smarts, attitude, and sassiness to spare.
