unprecedented amounts of money, the defendants did not formally assume any legal responsibility. Thus, the lawsuits were bitterly criticized by lawyers for betraying justice and by historians for distorting history. Leora Bilsky argues class action litigation and settlement offer a mode of

# Where To Download Journal Of Law Business And Ethics

Accountability well suited to addressing the bureaucratic nature of business involvement in atrocities. Prior to these lawsuits, legal treatment of the Holocaust was dominated by criminal law and its individualistic assumptions, consistently failing to relate to the structural aspects of Nazi
