Curzio Malaparte (Italian pronunciation: [kurtsjo mala parte]; 9 June 1898 – 19 July 1957), born Curt Erich Suckert, was an Italian writer, film-maker, war correspondent and diplomat. Malaparte is best known outside Italy due to his works Kaputt (1944) and La pelle (1949). The former is a semi-fictionalised account of the Eastern Front during the Second World War and the latter is an ...

~~Curzio Malaparte — Wikipedia~~

Curzio Malaparte's Kaputt is genre-bending house of horrors. Derived from his WWII dispatches for Corriere della Sera, Malaparte provides not only sickening eyewitness accounts from the eastern front, but from the dinner tables of the Nazi governors. Originally a follower of Mussolini, Malaparte fell afoul of the dictator and ended up in prison. Weaseling his way out, Malaparte became friendly ...

~~Kaputt by Curzio Malaparte — Goodreads~~

Curzio Malaparte fell out of favour with Mussolini after the publication of his scandalous treatise on how to mount a coup d' é tat - alas, unavailable in English at the moment. Released from prison he got himself accredited as a war correspondent, and travelled through the Europe of the Third Reich, from Yugoslavia to Finland via the occupied Soviet Union and Poland. This is the secret ...

Curzio Malaparte ' s Kaputt is a morbid and often surreal examination of the descent of European civilization during World War II. Malaparte ' s description of Axis Europe during World War II is not the most accurate, but it may be the most telling. His extravagant writing style and excellent use of symbolism provide several haunting and powerful images that sum up the horrors of the war like ...

~~Kaputt by Curzio Malaparte (1944) — Not Even Past~~

Curzio Malaparte was a disaffected supporter of Mussolini with a taste for danger and high living. Sent by an Italian paper during World War II to cover the fighting on the Eastern Front, Malaparte secretly wrote this terrifying report from the abyss, which became an international bestseller when it was published after the war. Telling of the siege of Leningrad, of glittering dinner parties ...

Curzio Malaparte (pseudonym of Kur Eric Suckert, 1898-1957) was born in Prato and served in World War I. An early supporter of the Italian Fascist movement and a prolific journalist, Malaparte soon established himself as an outspoken public figure. In 1931 he incurred Mussolini's displeasure by publishing a how-to manual entitled

Read Online Kaputt Curzio Malaparte

Curzio Malaparte was a disaffected supporter of Mussolini with a taste for danger and high living. Sent by an Italian paper during World War II to cover the fighting on the Eastern Front, Malaparte secretly wrote this terrifying report from the abyss, which became an international bestseller when it was published after the war. Telling of the siege of Leningrad, of glittering dinner parties with Nazi leaders, and of trains disgorging bodies in war-devastated Romania, Malaparte paints a picture of humanity at its most depraved. Kaputt is an insider's dispatch from the world of the enemy that is as hypnotically fascinating as it is disturbing.

“ It is a shameful thing to win a war. ” The reliably unorthodox Curzio Malaparte ’ s own service as an Italian liaison officer with the Allies during the invasion of Italy was the basis for this searing and surreal novel, in which the contradictions inherent in any attempt to simultaneously conquer and liberate a people beset the triumphant but ingenuous American forces as they make their way up the peninsula. Malaparte ’ s account begins in occupied Naples, where veterans of the disbanded and humiliated Italian army beg for work, and ceremonial dinners for high Allied officers or important politicians feature the last remaining sea creatures in the city ’ s famous aquarium. He leads the American Fifth Army along the Via Appia Antica into Rome,

Read Online Kaputt Curzio Malaparte

where the celebrations of a vast, joy-maddened crowd are only temporarily interrupted when one well-wisher slips beneath the tread of a Sherman tank. As the Allied advance continues north to Florence and Milan, the civil war intensifies, provoking in the author equal abhorrence for killing fellow Italians and for the “ heroes of tomorrow, ” those who will come out of hiding to shout “ Long live liberty ” as soon as the Germans are chased away. Like C é line, another anarchic satirist and disillusioned veteran of two world wars, Malaparte paints his compatriots as in a fun-house mirror that yet speaks the truth, creating terrifying, grotesque, and often darkly comic scenes that will not soon be forgotten. Unlike the French writer however, he does so in the characteristically sophisticated, lush, yet unsentimental prose that was as responsible for his fame as was his surprising political trajectory. *The Skin* was condemned by the Roman Catholic Church, and placed on the Index Librorum Prohibitorum.

A perverse and delicious tell-all view of the Soviet elite in the 1920s. Perhaps only the impeccably perverse imagination of Curzio Malaparte could have conceived of *The Kremlin Ball*, which might be described as Proust in the corridors of Soviet power. Malaparte began this impertinent portrait of Russia's Marxist aristocracy while he was working on *The Skin*, his story of American-occupied Naples, and after publishing *Kaputt*, his depiction of Europe in the hands of the Axis, thinking of this book as a another "picture of the truth" and a third panel in a great composition depicting the decadence of twentieth-century Europe. The book is set at the end of

Read Online Kaputt Curzio Malaparte

the 1920s, when the great terror may have been nothing more than a twinkle in Stalin's eye, but when the revolution was accompanied by a growing sense of doom. In Malaparte's vision it is from his nightly opera box, rather than the Kremlin, that Stalin surveys Soviet high society, its scandals and amours and intrigues among beauties and bureaucrats, including legendary ballerina Marina Semyonova and Olga Kameneva, sister of the exiled Trotsky, who though a powerful politician is so consumed by dread that everywhere she goes she gives off a smell of rotting meat. Unfinished at the time of Malaparte's death, this extraordinary court chronicle of Communist life (for which Malaparte also contemplated the title *God is a Killer*) was only published posthumously in Italy over fifty years after Malaparte's death and appears in English now for the first time ever.

A new memoir from acclaimed author Edmund White about his life as a reader. Literary icon Edmund White made his name through his writing but remembers his life through the books he has read. For White, each momentous occasion came with a book to match: Proust's *Remembrance of Things Past*, which opened up the seemingly closed world of homosexuality while he was at boarding school in Michigan; the Ezra Pound poems adored by a lover he followed to New York; the biography of Stephen Crane that inspired one of White's novels. But it wasn't until heart surgery in 2014, when he temporarily lost his desire to read, that White

Read Online Kaputt Curzio Malaparte

realized the key role that reading played in his life: forming his tastes, shaping his memories, and amusing him through the best and worst life had to offer. Blending memoir and literary criticism, *The Unpunished Vice* is a compendium of all the ways reading has shaped White's life and work. His larger-than-life presence on the literary scene lends itself to fascinating, intimate insights into the lives of some of the world's best-loved cultural figures. With characteristic wit and candor, he recalls reading Henry James to Peggy Guggenheim in her private gondola in Venice and phone calls at eight o'clock in the morning to Vladimir Nabokov--who once said that White was his favorite American writer. Featuring writing that has appeared in the *New York Review of Books* and the *Paris Review*, among others, *The Unpunished Vice* is a wickedly smart and insightful account of a life in literature.

An autobiographical exploration of the role and meaning of music in our world by one of India's greatest living authors, himself a vocalist and performer. Amit Chaudhuri, novelist, critic, and essayist, is also a musician, trained in the Indian classical vocal tradition but equally fluent as a guitarist and singer in the American folk music style, who has recorded his experimental compositions extensively and performed around the world. A turning point in his life took place when, as a lonely teenager living in a high-rise in Bombay, far from his family's native Calcutta, he began, contrary to all his prior inclinations, to study Indian classical music. Finding the Raga chronicles that transformation and how it has continued to affect and transform not only how Chaudhuri listens to and makes music but how he listens to and thinks about the

Read Online Kaputt Curzio Malaparte

world at large. Offering a highly personal introduction to Indian music, the book is also a meditation on the differences between Indian and Western music and art-making as well as the ways they converge in a modernism that Chaudhuri reframes not as a twentieth-century Western art movement but as a fundamental mode of aesthetic response, at once immemorial and extraterritorial. Finding the Raga combines memoir, practical and cultural criticism, and philosophical reflection with the same individuality and flair that Chaudhuri demonstrates throughout a uniquely wide-ranging, challenging, and enthralling body of work.

Friedrich Reck might seem an unlikely rebel against Nazism. Not just a conservative but a rock-ribbed reactionary, he played the part of a landed gentleman, deplored democracy, and rejected the modern world outright. To Reck the Nazis were ruthless revolutionaries in Gothic drag, and helpless as he was to counter the spell they had cast on the German people, he felt compelled to record the corruptions of their rule. The result is less a diary than a sequence of stark and astonishing snapshots of life in Germany between 1936 and 1944. We see the Nazis at the peak of power, and the murderous panic with which they respond to approaching defeat; their travesty of traditional folkways in the name of the Volk; and the author's own missed opportunity to shoot Hitler. This riveting book is not only, as Hannah Arendt proclaimed it, "one of the most important documents of the Hitler period" but a
