Legal Issues in Counseling - Video & Lesson Transcript ...

Counselling, Psychotherapy and the Law is the long-awaited Second Edition of Peter Jenkins' comprehensive introduction to legal issues in relation to counselling and psychotherapy in the UK. This text has been fully updated to include coverage of the key

File Type PDF Legal Issues In Counselling Psychotherapy Ethics In Practice Series

developments in the law that have had major impact on therapists' practice with regard to data protection and the management of confidentiality.

Counselling, Psychotherapy and the Law | SAGE Publications Ltd

To date, there is no legally enforced regulation of counselling and psychotherapy in the UK. Joining a professional body and adhering to an ethical code is voluntary. In addition, the titles of 'Counsellor' and 'Psychotherapist' are not protected, therefore there is no legal minimum qualification needed to practice under those titles.

The first part covers the current legal context ...

Peter Jenkins is a Lecturer in Counselling at the University of Manchester and a member of the Professional Conduct Committee

File Type PDF Legal Issues In Counselling Psychotherapy Ethics In Practice Series

of the British Association for Counselling and Psychotherapy. He is author of three books on the law and counselling, including *Counselling, Psychotherapy and the Law* (London, SAGE, 1997). Providing much-needed advice and reference, this book examines the rapidly growing range of situations in which therapists find themselves in contact with the law. The book covers the current legal context of therapeutic work, and specific implications for therapists in relation to: working with survivors of sexual abuse; false memory; and the implications of the Human Rights Act. The book also examines the implications of professional regulation.

This fourth book in the authoritative BACP Legal Resources for Counsellors & Psychotherapists series provides practical examples and applications of the law as it applies to therapists in the many

File Type PDF Legal Issues In Counselling Psychotherapy Ethics In Practice Series

different contexts of their work. Helping practitioners move between different practice settings, the book explores how the legal framework within which they work varies across contexts. It introduces practitioners to the statutory structure and obligations of different types of counselling and psychotherapy services, setting out implications for practice such as liability and accountability. Work settings covered include:

- o Private practice
- o Commercial organisations - Employee Assistance Programmes
- o Voluntary sector
- o Government Health settings (NHS): primary and secondary
- o Private Health settings: primary and secondary
- o Education / Schools /FE/HE
- o Social services
- o Police and Home Office

For each setting, the book considers the statutory basis, how the legal framework impacts on services to clients, systemic issues such as bullying or prejudicial discrimination, responsibility for decision

File Type PDF Legal Issues In Counselling Psychotherapy Ethics In Practice Series

making, and the restrictions and empowerment of therapists and clients within the context of that setting. This book is an essential reference for counselling practitioners working across a range of practice settings, including those with portfolio careers. It is also important reading for all those studying counselling, psychotherapy or clinical psychology.

Ethical and Legal Issues in Counseling Children and Adolescents provides counselors and other professionals with clinical cases and accurate, up-to-date information on both ethical standards and case law. Chapters take a comprehensive, developmental approach to legal and ethical decision making when counseling children and adolescents, one that presents each chapter topic from the perspective of an adult and then explores accommodations

File Type PDF Legal Issues In Counselling Psychotherapy Ethics In Practice Series

important to children and adolescents. The book is a vital resource for faculty who recognize the limited scope with which other texts cover the topic and for practitioners looking to better understand the legal and ethical concerns around working with young people.

`Jenkins' book makes the law relevant, understandable and manageable to counsellors and psychotherapists. It makes clear, reassuring and essential reading for therapists in training as well as those in practice. [All] counsellors and psychotherapists need to be up to speed with the law and with how it relates to their work. This book is more than timely with the impending introduction of regulation, and the fact that increasingly the work of counsellors and psychotherapists is being subjected to legal scrutiny' -

Psychotherapy and the Law is the long-awaited Second Edition of Peter Jenkins' comprehensive introduction to legal issues in relation to counselling and psychotherapy in the UK. This text has been fully updated to include coverage of the key developments in the law that have had major impact on therapists' practice with regard to data protection and the management of confidentiality. The book breaks new ground by exploring in detail the relationship of ethics to the law and providing a framework for relating the BACP Ethical Framework to legal decision-making. Key features of this new edition include: " extensive use of case studies. These bring legal examples to life and give a human dimension to powerful ethical dilemmas such as seeking agreement to end medical treatment, or client's gaining access to their own confidential records " key points, which provide quick summaries of complex material and

File Type PDF Legal Issues In Counselling Psychotherapy Ethics In Practice Series

reference guides for professional practice " the multiple points of crossover and intersection of law and therapy. These are identified and explored, ranging from the use of narrative theory, to the provision of pre-trial therapy for abused children, to the role of the therapist as expert witness. This new edition provides clarity and reassurance for practitioners at all levels about the exact nature of their responsibilities, and how these can best be managed, in order to enable them to comply with the law and focus on their therapeutic work with clients. Counselling, Psychotherapy and the Law, Second Edition provides an essential source of reference in a single volume, making a fascinating and complex topic understandable and bringing it to life. Peter Jenkins, formerly a member of the BACP Professional Conduct Committee and currently a member of the Ethics Committee of the UKCP, has been

described by Counselling at Work as 'probably the foremost authority on legal issues in counselling'. He is Co-Director of the Counselling and Psychotherapy Directorate at the University of Salford. More reviews: `Despite requiring real concentration, this is an essential read for counsellors and psychotherapists irrespective of background and theoretical orientation. Trainers, supervisors and agency coordinators especially would benefit from the up to date material contained here' - Therapy Today `Peter Jenkins has consulted widely over the content of this book, both within the psychological therapies field and with legal eagles. [His] use of clear flow diagrams and comparison boxes enable the reader to identify the similarities and differences between professional and moral/ethical debates. It is a thoroughly researched and accessible text' - Association for University and College Counselling Journal

Focuses on the nuances of ethical and legal standards across disciplines Completely revised and updated to reflect the new 2014 ACA Code of Ethics and current ethics codes in psychology, social work, and marriage and family therapy. This unparalleled text guides helping professionals in the use of ethical decision-making

File Type PDF Legal Issues In Counselling Psychotherapy Ethics In Practice Series

processes as the foundation for ethical approaches to counseling and psychotherapy. The book focuses on ethical and legal challenges and standards across multiple professions emphasizing counseling, and including the professions of psychology, social work, and marriage and family therapy. It not only identifies relevant ethical issues in clinical mental health, rehabilitation, group, school, addictions counseling, and career counseling, it also addresses couple and family therapy, clinical supervision, and forensics. The text illuminates the particular application of ethical standards within each specialty. The book features five new sections that clearly define how ethical standards are interpreted and applied: Privacy, Confidentiality, and Privileged Communication; Informed Consent; Roles and Relationships with Clients; Professional Responsibility; and Counselor Competency. Under the umbrella of each broad

File Type PDF Legal Issues In Counselling Psychotherapy Ethics In Practice Series

topic, the particular nuances of ethical standards within each specialty are analyzed to facilitate comparison across all specialties and settings. The text also addresses current issues in office and administrative practices, technology, and forensic practice that are crucial to school, clinical, and private practice settings. Compelling case studies illustrate the connection between ethical decision-making models and ethical practice. Learning objectives, a comprehensive review of scholarly literature, and a robust ancillary package for educators contribute to the fourth edition's value for use in upper-level undergraduate and graduate classrooms. New to the Fourth Edition: Comprehensive reorganization and reconceptualization of content Reflects new 2014 ACA Code of Ethics Includes five new chapters on Privacy, Confidentiality, and Privileged Communication; Informed Consent; Roles and

Relationships with Clients; Professional Responsibility; and Counselor Competency. Emphasizes specialty practice organized by professional standards Facilitates comparison of standards across disciplines Addresses new issues in office, administrative, technology, and forensic practice Key Features: Delivers an unequaled overview of ethical decision-making in counseling and psychotherapy Defines how ethical standards are interpreted and applied in specialty practice Describes how to avoid, address, and solve serious ethical and legal dilemmas Includes learning objectives, case studies, and scholarly literature reviews Offers robust ancillary package with Instructor's Manual, Test Bank, and Power Point Slides

Therapy with Children is a vital resource for any practitioner

File Type PDF Legal Issues In Counselling Psychotherapy Ethics In Practice Series

navigating the legal minefield of working with children and young people. Prioritising the needs of the child as the client, the authors explore the legal and professional dimensions of working therapeutically with children. This long-awaited second edition responds to significant shifts in policy and the revised text additionally addresses: - the importance of confidentiality in establishing a working alliance and maintaining a secure environment for therapy with children - the conflicting pressures faced by therapists concerning issues of parental involvement and children at risk - changes in light of the Children Act 2004, Mental Health Act 2007, and the Axon case - changes in the organisation of child protection - increased provision of therapeutic services for children, particularly in school settings, and the growing numbers of counsellors working with children - the relevance of psychoanalysis

File Type PDF Legal Issues In Counselling Psychotherapy Ethics In Practice Series

in development of child-focused therapy, as well as reference to other therapeutic approaches to child therapy - the urgent case for developing 'confidential spaces' within therapeutic services for children and young people. Illustrated with vivid case examples, *Therapy with Children* provides stimulating reading and is an excellent source of reference for all psychotherapists and counsellors working with children. The issues here will also be of direct relevance to youth workers, teachers, social workers and health professionals.

This edited volume comprehensively examines the critical ethical challenges that arise in the practice of counselling and psychotherapy. It translates philosophical positions and professional ethical guidelines in a way that can be applied to practice. The

File Type PDF Legal Issues In Counselling Psychotherapy Ethics In Practice Series

various chapters focus on specific ethical issues that emerge in working with a range of different client groups; for example, children, couples and families. While some ethical imperatives are common across the board, others could be more closely associated with certain client groups. Practitioners might experience uncertainty in working with vulnerable client groups; for example, lesbian/gay/transgender/intersex (LGBT) clients, or persons who report intimate partner violence. Several chapters raise questions, provide information and additional resources to enhance ethically informed practice. Chapter contributions also highlight the ethical dilemmas that might be unique to certain contexts; for example, private practice, schools and consultation-liaison settings. This volume also addresses contemporary and relatively less understood playing fields like ‘digital ethics’ related to therapist-client

File Type PDF Legal Issues In Counselling Psychotherapy Ethics In Practice Series

interface in the internet space and the navigation of ethical dilemmas in the newly emerging field of employee assistance programmes which address mental health needs in the corporate sector. Written by experienced practitioners of psychotherapy, and culturally contextualized, this is a valuable resource for academics and practitioners interested in psychotherapy and counselling.

Developing and maintaining a secure framework for professional practice is a core part of any counselling and psychotherapy training, as all therapists need to understand the key values, ethics and laws that underpin the profession today. But what does being a member of a 'profession' actually mean, and what does being a 'professional' actually involve? Structured around the BACP Core Curriculum, and with the help of exercises, case studies and tips for

File Type PDF Legal Issues In Counselling Psychotherapy Ethics In Practice Series

further reading, this book covers everything from the requirements of the BACP Ethical Framework to broader perspectives on good professional practice. It includes: Practising as a therapist in different roles and organizational contexts. Working with key issues, including difference, vulnerable clients and risk.

Understanding the law and relevant legal frameworks for practice.
Working ethically, including contrasting models and approaches to ethics.

This book covers a broad range of topics, including providing testimony, responding to subpoenas, dealing with an attorney, influencing the legal system, and understanding the legal side of the business of psychotherapy. This book will help demystify the North American legal system, thereby empowering psychotherapists to

File Type PDF Legal Issues In Counselling Psychotherapy Ethics In Practice Series

work with it and within it.
