It is an accomplished and passionate collection which demonstrates Cohen's remarkably assured voice, even as a young man. An unprecedented debut published to immediate acclaim, new generations of readers will now rediscover not only the early work of one of our most beloved writers, but poetry that resonates loudly with relevance today.

First published in 1956 when he was twenty-two years old, Let Us Compare Mythologies is Leonard Cohen's first collection of poetry. It is an accomplished and passionate collection which demonstrates Cohen's remarkably assured voice, even as a young man. An unprecedented debut published to immediate acclaim, new generations of readers will now rediscover not only the early work of one of our most beloved writers, but poetry that resonates loudly with relevance today.

Published in 1956 to immediate acclaim, Leonard Cohen ' s first published book contains poems written between the ages of fifteen and twenty. Now new generations of readers will rediscover not only the early, though no less accomplished and passionate, work of one of our most beloved writers, but poetry that resonates loudly with relevance today.

Leonard Cohen is one of the great writers, performers, and most consistently daring artists of our time. Book of Longing is Cohen ' s eagerly awaited new collection of poems, following his highly acclaimed 1984 title, Book of Mercy, and his hugely successful 1993 publication, Stranger Music, a Globe and Mail national bestseller. Book of Longing contains erotic, playful, and provocative line drawings and artwork on every page, by the author, which interact in exciting and unexpected ways on the page with poetry that is timeless, meditative, and at times darkly humorous. The book brings together all the elements that have brought Leonard Cohen ' s artistry with language worldwide recognition.

NEW YORK TIMES BEST SELLER Named a Fall Read by Vogue, Esquire, The Washington Post, TIME, Vanity Fair and O, the Oprah Magazine. One of Daily Mail and Financial Times's Best Books of 2018. " There are very, very few people who occupy the ground that Leonard Cohen walks on. " —BONO The Flame is the final work from Leonard Cohen, the revered poet and musician whose fans span generations and whose work is celebrated throughout the world. Featuring poems, excerpts from his private notebooks, lyrics, and hand-drawn self-portraits, The Flame offers an unprecedentedly intimate look inside the life and mind of a singular artist. A reckoning with a life lived deeply and passionately, with wit and panache, The Flame is a valedictory work. " This volume contains my father ' s final efforts as a poet, " writes Cohen ' s son, Adam Cohen, in his foreword. " It was what he was staying alive to do, his sole breathing purpose at the end. " Leonard Cohen died in late 2016. But " each page of paper that he blackened, " in the words of his son, " was lasting evidence of a burning soul. "

One of the best-known experimental novels of the 1960s, Beautiful Losers is Leonard Cohen ' s most defiant and uninhibited work. As imagined by Cohen, hell is an apartment in Montreal, where a bereaved and lust-tormented narrator reconstructs his relations with the dead. In that hell two men and a woman twine impossibly and betray one another again and again. Memory blurs into blasphemous sexual fantasy—and redemption takes the form of an Iroquois saint and virgin who has been dead for 300 years but still has the power to save even the most degraded of her suitors. First published in 1966, Beautiful Losers demonstrates that its author is not only a superb songwriter but also a novelist of visionary power. Funny, harrowing, and fiercely moving, it is a classic erotic tragedy, incandescent in its prose and exhilarating for its risky union of sexuality and faith.

To mark the publication of Leonard Cohen's final book, The Flame, McClelland & Stewart is proud to reissue six beautiful editions of Cohen's cherished early works of poetry, many of which are back in print for the first time in decades. A freshly packaged new series for devoted Leonard Cohen fans and those who wish to discover one of the world's most adored and celebrated writers. Originally published by McClelland & Stewart in 1961, The Spice-Box of Earth was Leonard Cohen's breakout book, announcing the arrival of a major talent, and a popular one—the first edition sold out in less than three months, and one reviewer hailed Cohen as "probably the best young poet in English Canada right now." In his second collection, Cohen deepens his engagement with subjects that would define his career, as biographer Sylvie Simmons argues, "the poems dance back and forth across the border between the holy and the worldly, the elevated and the carnal."

A definitive selection of song lyrics and poems from the Rock-and-Roll Hall of Fame inductee and Grammy Lifetime Achievement Award-winning musical artist includes such influential pieces as "Sisters of Mercy," "Bird on the Wire" and "I'm Your Man."
