Become the best version of your local business! This E-book Covers? This E-book provides detailed knowledge about how businesses of any size and in any business category can use these online and offline marketing tactics as a part of a successful overall business strategy. Rather than searching the web and compiling information that would take months perhaps years to do, I've taken the time to do it for you. This E-book can be used as a reference guide, or to learn more about what your marketing consultant is doing with your money. With this E-book you are going to learn how to leverage the web to open up doors of opportunities for more customers, more exposure, more referrals and revenue.

Rethink your business for the digital age. Every business begun before the Internet now faces the same challenge: How to transform to compete in a digital economy? Globally recognized digital expert David L. Rogers argues that digital transformation is not about updating your technology but about upgrading your strategic thinking. Based on Rogers's decade of research and teaching at Columbia Business School, and his consulting for businesses around the world, The Digital Transformation Playbook shows how pre-digital-era companies can reinvigorate their game plans and capture the new opportunities of the digital world. Rogers shows why traditional businesses need to rethink their underlying assumptions in five domains of strategy—customers, competition, data, innovation, and value. He reveals how to harness customer networks, platforms, big data, rapid experimentation, and disruptive business models—and how to integrate these into your existing business and organization. Rogers illustrates every strategy in this playbook with real-world case studies, from Google to GE, from Airbnb to the New York Times. With practical frameworks and nine step-by-step planning tools, he distills the lessons of today's greatest digital innovators and makes them usable for businesses at any stage. Many books offer advice for digital start-ups, but The Digital Transformation Playbook is the first complete treatment of how legacy businesses can transform to thrive in the digital age. It is an indispensable guide for executives looking to take their firms to the next stage of profitable growth.

Are you tired of your job? Looking for something more rewarding and profitable? Have you ever thought, or been told, "You should write a book, or start a business!" Well, it's time to give it a shot. Jesse Tevelow has self-published two books (Authorpreneur is his third), which are both #1 bestsellers on track to generate \$30,000 per year in passive income. And that's just for starters. He also used his books to launch a business that banked over six figures in its first year. Other part-time authors are doing far better, earning six, or even seven figures per year. Many have leveraged their books to build fulltime business ventures. This wasn't possible ten years ago, but the publishing industry has changed. People are finding unparalleled freedom and wealth through writing, and you can too. Authorpreneur will show you how.

The Tax Rules Have Changed. Your Business Should, Too. The Tax Cut and Jobs Act of 2017 marks the biggest tax reform in more than 30 years. The changes to the tax code are complex (especially for the small-business owner), but you don't have to go it alone. CPA and Attorney Mark J. Kohler delivers a comprehensive analysis of the new tax and legal structure you desperately need to help make the new tax law work for you. In this revised edition of The Tax and Legal Playbook, Kohler reveals clear-cut truths about tax and legal planning and delivers a practical, play-by-play guide that helps you build wealth, save on taxes, and protect your assets. Using real-world case studies, tax-savvy tips, game plans, and discussion points, Kohler coaches you through the complexities of the tax game of the small-business owner. You'll also learn how to: Examine your business needs and pick the right business entity for you Build your personal and corporate credit in eight steps Implement affordable asset protection strategies Take advantage of underutilized business tax deductions Pick the right health-care, retirement, and estate plans Bring on partners and investors the right way Plan for your future with self-directed retirement funds Reading from cover to cover or refer to each chapter as needed, you will come away wiser and better equipped to make the best decisions for your business, your family, and yourself.
