LITTLE BIG MAN Is it a Comedy? with Jesse Vint: A WORD ON WESTERNS Note 1 on The Feud by Thomas Berger Little Big Man Thomas Berger

Little Big Man is a 1964 novel by American author Thomas Berger. Often described as a satire or parody of the western genre, the book is a modern example of picaresque fiction. Berger made use of a large volume of overlooked first-person primary materials, such as diaries, letters, and memoirs, to fashion a wide-ranging and entertaining tale that comments on alienation, identity, and perceptions of reality.

Thomas Louis Berger was an American novelist, probably best known for his picaresque novel Little Big Man, which was adapted into a film by Arthur Penn. Berger explored and manipulated many genres of fiction throughout his career, including the crime novel, the hard-boiled detective story, science fiction, the utopian novel, plus re-workings of classical mythology, Arthurian legend, and the surviv

Little Big Man (Little Big Man #1) by Thomas Berger

Berger's account of the personality of Custer fits well with other accounts of the Boy General's behaviour, notably Stephen J Ambrose's "Crazy Horse and Custer". This volume is well worth reading and the DVD of Little Big Man starring Dustin Hoffman is remarkably true to the original Berger text.

— Thomas Berger, Little Big Man. A Novel. 1 likes. Like “privilege is founded on duty, and if the horse carries the man, the animal is fed before the rider himself doth eat. Thus in certain respects the first comes last, and the greatest king is the loneliest.”

Thomas Berger Quotes (Author of Little Big Man)

Preview — Little Big Man by Thomas Berger. Little Big Man Quotes Showing 1-15 of 15. “If you want to really relax sometime, just fall to rock bottom and you'll be a happy man. Most all troubles come from having standards.” — Thomas Berger, Little Big Man. 28 likes. Like. “The truth is always made up of little particulars which sound ridiculous when repeated.”

“The truth is always made up of little particulars which sound ridiculous when repeated.”

“So says Jack Crabb, the 111-year-old narrator of Thomas Berger's 1964 masterpiece of American fiction, Little Big Man. Berger claimed the Western as serious literature with this savage and epic account of one man's extraordinary double life. After surviving the massacre of his pioneer family, ten-year-old Jack is adopted by an Indian chief who nicknames him Little Big Man. As a Cheyenne, he feasts on dog, loves four wives, and sees his people butchered by horse soldiers commanded by General George Armstrong Custer. Later, living as a white man once more, he hunts the buffalo to near-extinction, tangles with Wyatt Earp, cheats Wild Bill Hickok, and fights in the Battle of Little Bighorn alongside Custer himself—a man he'd sworn to kill. Hailed by The Nation as “a seminal event,” Little Big Man is a singular literary achievement that, like its hero, only gets better with age. Praise for Little Big Man “An epic such as Mark Twain might have given us.”—Henry Miller “The very best novel ever about the American West.”—The New York Times Book Review “Spellbinding. . . [Crabb] surely must be one of the most delightfully absurd fictional fossils ever unearthed.”—Time “Superb. . . Berger's success in capturing the points of view and emotional atmosphere of a vanished era is uncanny. His skill in characterization, his narrative power and his somewhat cynical humor are all outstanding.”—The New York Times

'I am a white man and never forget it, but I was brought up by the Cheyenne Indians from the age of ten.' So starts the story of Jack Crabb, the 111-year old narrator of Thomas Berger's masterpiece of American fiction. As a "human being", as the Cheyenne called their own, he won the name Little Big Man. He dressed in skins, feasted on dog, loved four wives and saw his people butchered by the horse soldiers of General Custer, the man he had sworn to kill. As a white man, Crabb hunted buffalo, tangled with Wyatt Earp, cheated Wild Bill Hickok and survived the Battle of Little Bighorn. Part-farical, part-historical, the picaresque adventures of this witty, wily mythomaniac claimed the Wild West as the stuff of serious literature.

“The truth is always made up of little particulars which sound ridiculous when repeated.”

The legendary Jack Crabb takes another riotous romp through the Old West in an acclaimed novel that’s “impressive and delightful . . . very Mark Twain” (Daily News, New York). Jack Crabb is now 112 years old, and he isn’t done spinning yarns. In this sequel to Berger’s beloved novel Little Big Man, one of literature’s wiliest survivors continues his breathtaking tall tales of the Old West. Crabb claims to have witnessed most of the great historical events of the western frontier: hiding behind a wagon after a drunken Doc Holliday provokes the shootout at the OK Corral, joining Buffalo Bill Cody and Annie Oakley on tour with their international Wild West show, even taking tea with Queen Victoria when she came out of seclusion after a quarter century. No matter where Crabb lays his hat, he keeps his wizened, wry, and sharp commentary at the ready. The Return of Little Big Man is a sidesplitting novel of surprising emotional depth. This ebook features an all-new introduction by Thomas Berger, as well as an illustrated biography of the author including rare images and never-before-seen documents from his personal collection.

Fred Wagner thought his newfound ability would bring big opportunities, but some special powers aren’t as useful as they appear to be. Advertising copywriter Fred Wagner lives a mundane existence, dreaming of being a novelist but making scant progress on his first literary effort. His career has stalled and his personal life is falling to pieces, but everything seems poised to change when, one day, Fred realizes he can will himself in and out of visibility. A world of possibilities seems finally within reach—that is, until Fred learns that invisibility isn’t the panacea he hoped it would be. Filled with humor and pathos, Being Invisible perceptively examines the life of a struggling writer and the power each of us has to change our own lives. This ebook features an illustrated biography of Thomas Berger including rare images and never-before-seen documents from the author’s personal collection.

A “splendid” and witty take on the Arthurian legend by the acclaimed author of Little Big Man (The New York Times Book Review). The myth of King Arthur has been told countless ways since the sixth century, always combining action, adventure, romance, and tragedy. In Arthur Rex, Thomas Berger updates the legend in irreverent fashion, forever changing King Arthur and his Round Table. In Berger’s medieval England, the damsel in distress is never what she appears to be. Merlin is a wizard of a completely different stripe. Classic heroes and villains are vividly reimagined, breathing fresh life into a familiar story. Powerful, emotional, and at times laugh-out-loud funny, Arthur Rex is an unforgettable tribute to one of the most celebrated tales of all time. This ebook features an all-new introduction by Thomas Berger, as well as an illustrated biography of the author including rare images and never-before-seen documents from his personal collection.

Chuck Burgoyne is no ordinary houseguest. The Graveses (father Doug, wife Audrey, son Bobby, and daughter-in-law Lydia) have gotten used to his polite manners and gourmet breakfasts. But one morning at the Graveses' summer home, Chuck fails to appear. When Chuck finally does surface, he is no longer sweet and charming, but rather has become aggressive and arrogant, abusing each family member in turn. Each family member that is, except the fellow outsider, Lydia. Once Chuck rescues her from the dangerous undertow of the ocean, Lydia can't help but feel obligated to him, even after his uninvited advances to her while she's half asleep. Slowly it becomes apparent to the family that Chuck isn't anyone's guest but rather a perfect stranger who wormed his way into their home. Yet the Graveses are so concerned with not offending him by being impolite that they willingly accept the abuse he freely dishes out. In private, however, they all scheme for his undoing. But will anyone muster up the courage? An eerie and clever novel, The Houseguest introduces one of Berger's most dangerous and compelling villains.

The Pulitzer Prize-nominated author of Little Big Man returns with perhaps one of his most imaginative alternate realities yet: a matriarchal society. Women reign supreme in the not-so-distant future, where Georgie Cornell has no choice but to wear the high heel shoe on the other foot. Swept into the chaotic world of publishing, he is at the mercy of his female bosses, especially if his pencil skirt is an inch too short. Georgie only has one male coworker he can lean on for a bit of support, and his friend Charlie's fascination with gender roles borders on the scandalous for Georgie's taste. Still, when Georgie loses his job it's Charlie he turns to for comfort. Spilling a drink on his expensive dress, he has no choice but to wear the women's clothes Charlie keeps in secret on the way home. The simple journey quickly turns chaotic when Georgie is taken in by the police for the crime of being a transvestite. A prison escape is only the start of this piercing, insightful, and prescient look at gender norms. “Imagined with such ferocity and glee that we assent to it almost in spite of ourselves. . . . A brilliant accomplishment by one of our best novelists.” —The New York Times Book Review

The Pulitzer Prize-nominated author of Little Big Man proves that sometimes war doesn't change a person, but the world he lives in. Carlo Reinhart returns home from his service in Germany expecting the Ohio he left not too long ago. What he finds instead is new technology, old attitudes, and people he's not sure he can relate to anymore. As Reinhart stumbles back into life as a civilian, he finds camaraderie in the most unlikely places. A former classmate, Splendor Mainwaring, a man too smart for his lot in life as a mechanic, becomes a new and eccentric friend. His boss isn't just the most over-eager real estate agent in town; he's also a seasoned con man. Not even settling down comes easy to the gentle Reinhart. Duping him into marriage, his new wife Genevieve Raven is a force to be reckoned with. Endlessly surprising, this funny, sharp-edged narrative is Pulitzer Prize-finalist Thomas Berger at his very best. With an over the top cast of characters, it's impossible not to fall in love with the exact people that make Reinhart's life impossible. “Picture Fielding's Tom Jones in a 20th century landscape and you'll have some idea of Reinhart in Love.” —The New York Times

Thomas Berger's modern hero Carlo Reinhart is thrust into the strangest chapter of his life yet. Carlo Reinhart's life has taken many turns. From his idealistic youth in Crazy in Berlin, to his entrance into adulthood in Reinhart in Love, through his uneasy tumble into middle age in Vital Parts, Reinhart has never lost his philosophical and even-minded disposition. Reinhart's Women finds Reinhart divorced and living with his daughter, Winona, a successful model. His newest hobby is cooking, and he has become surprisingly accomplished for an amateur. But when he asks a woman over for a homemade lunch, Reinhart's idyll is shattered. Adventures and misadventures conspire to put his nascent cooking skills to the test—and turn him into a postmodern celebrity. With Reinhart, Berger has created one of the great comic characters of the twentieth century—a man who beautifully represents, and parodies, his moment. This ebook features an illustrated biography of Thomas Berger including rare images and never-before-seen documents from the author's personal collection.
