Lord of the Flies dramatizes the conflict between the civilizing instinct and the barbarizing instinct that exist in all human beings. The artistic choices Golding makes in the novel are designed to emphasize the struggle between the ordering elements of society, which include morality, law, and culture, and the chaotic elements of humanity's savage animal instincts, which include anarchy, bloodlust, the desire for power, amorality, selfishness, and violence.

The classic study of human nature which depicts the degeneration of a group of schoolboys marooned on a desert island.

William Golding's Lord of the Flies is a dystopian classic: 'exciting, relevant and thought-provoking' (Stephen King). When a group of schoolboys are stranded on a desert island, what could go wrong? 'One of my favorite books - I read it every couple of years.' (Suzanne Collins, author of The Hunger Games) A plane crashes on a desert island. The only survivors are a group of schoolboys. By day, they discover fantastic wildlife and dazzling beaches, learning to survive; at night, they are haunted by nightmares of a primitive beast. Orphaned by society, it isn't long before their innocent childhood games devolve into a savage, murderous hunt ... 'Stands out mightily in my memory ... Such a strong statement about the human heart.' (Patricia Cornwell) 'Terrifying and haunting.' (Kingsley Amis) 'Beautifully written, tragic and provocative.' (E. M. Forster) ONE OF THE BBC'S ICONIC 'NOVELS THAT SHAPED OUR WORLD' What readers are saying: 'Every real human being should read this ... This is what we are.' 'It's brilliant, it's captivating, it's thought provoking and brutal and for some, its truly terrifying.' 'It can be read and re-read many times, and every time something new will appear.' 'There is a reason why this is studied at school ... Excellent read.' 'This is one of the few books I've read that I keep on my Kindle to read again.' 'I revisit this every few years and it's always fresh and impressive ... One of the best books I've ever read.'

Classic tale of a group of English schoolboys who are left stranded on an unpopulated island and who must confront not only the defects of their society but the defects of their own cultures.

Celebrate the thirtieth anniversary of the Newbery Honor–winning survival novel Hatchet with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. Hatchet has also been nominated as one of America's best-loved novels by PBS's The Great American Read. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother's infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.

Do you realize how much your professional success, your income, and even your personal relationships depend on your ability to persuade, influence, and motivate other people? Yet many of us continue to use outdated techniques for convincing others...or worse yet, have no technique at all. Kurt Mortensen, through his Persuasion Institute, has sought out and studied the world's top persuaders, and with his specially formulated Persuasion I.Q. assessment-the most comprehensive persuasion resource available today-he lets readers in on the essential habits, traits, and behaviors necessary to cultivate their natural persuasive abilities. Concentrating on the 10 major Persuasion I.Q. skills, the book allows readers to determine their own current Persuasion I.Q., helping them to identify their strengths and weaknesses, and starting them down a path to enormous success and wealth. The book reveals powerful techniques that will enable them to: * read people quickly * create instant trust * get others to take immediate action * close more sales * win over clients * accelerate business success * earn what they're really worth * influence others to accept their points of view * win negotiations * enhance relationships * and-most important-hear the magical word "yes" more often! Whether you are selling a product, presenting an idea, or asking for a raise, persuasion is the magic ingredient. This powerful, life-changing book will transform anyone into a persuasion genius.

Emigrating with her mother from Hong Kong to Brooklyn, Kimberly begins a double life as a schoolgirl by day and sweatshop worker at night, an existence also marked by her first crush and the pressure to save her family from poverty.

Each chapter is individually summarized and analyzed, and has study questions and answers.

Their survival is in their own hands... Samantha Mishra opens her eyes and discovers she's alone and injured in the thick of a jungle. She has no idea where she is, or what happened to the plane taking her and the rest of the Drake Rosemont fencing team across the Pacific for a tournament. Once Sam connects with her best friend, Mel, and they find the others, they set up shelter and hope for rescue. But as the days pass, the teens realize they're on their own, stranded on an island with a mysterious presence that taunts and threatens them. Soon Sam and her companions discover they need to survive more than the jungle... they need to survive each other. This taut novel, with a setting evocative of Lord of the Flies, is by turns cinematic and intimate, and always thought-provoking.

A seemingly simple tale of schoolboys marooned on an island, Lord of the Flies has proven to be one of the most enigmatic and provocative pieces of literature ever published. This casebook probes the many layers of meaning in the novel, examining its literary, philosophical, historical, scientific, and religious significance. Beginning with a literary analysis that explores the universality of the novel's characters, the story is considered as subversion of the adventure tale, comparing it to such classics as Treasure Island and Robinson Crusoe. From these literary depictions of savagery, this study delves deeper, confronting the long-running philosophical and biological debates about human nature that have absorbed such influential thinkers as Rousseau and Darwin. The full meaning of Lord of the Flies is further contextualized by tracing historical views on civilization, from the Victorian perspective, to the very real horrors of World War II. This casebook integrates analysis and primary documents, with excerpts from materials as diverse as the Bible, the writings of Darwin, and war crimes interviews, to explore the very nature of human aggression and evil. This book will spark students to consider intriguing connections between Golding's masterpiece and broader concepts of civilization, altruism, political leadership responsibilities, and the history of western imperialism. The interdisciplinary approach of this casebook helps students situate the lessons of Lord of the Flies in the context of Education, War and Postwar, the Adventure Story, Religion, and Biology and Evolution. The six topic sections integrate original illustrations and photos, literary excerpts, and primary documents and historic writings that help contextualize the work. Thought-provoking ideas for class discussions and research topics, with carefully chosen further reading suggestions enhance this volume as a teaching tool.
