Music has been called the universal language. I have found very few people who do not like some genres of it. It touches all of us. The appeal of music is that the human person is affected by the ideas it promotes and the emotions it evokes. Words like rhythm, melody, harmony, and color are all included in the art of music. I have used music to introduce each chapter as I write my thoughts about life and all that it means. This book is my own description of peace, love, hope, and joy. As a Christian, I am influenced by God, Scripture, and my hope that all people would come to love and know God through the person of his son, Jesus, the Christ. When the Israelites were bringing the Ark of the Covenant into Jerusalem, "King David commanded the chiefs of the Levites to appoint their brethren as the singers who should play loudly on musical instruments, on harps and lyres and cymbals, to raise sounds of joy" (1 Chronicles 15:16 RSV). And through the challenges of life, that is why I claim Nehemiah 8:10 as the title of this work: The Joy of the Lord Is My Strength.

Check reading comprehension with reproducible quizzes for such popular children's books as The Giver, the American Girls collection, and the Indian in the Cupboard trilogy - and chart student progress with a unique point system. Many easy-to-read chapter books for beginning readers (e.g., Pippi Longstocking books, boxcar children books, Matt Christopher's sport titles) are covered as well as higher level books for middle schoolers (e.g., works of S. E. Hinton, Joan Lowery Nixon, Richard Peck). A great resource for independent reading programs and homeschoolers.

Its a Metaphysical World is a collection of over one hundred extraordinary short stories drawn from everyday life. Although names, locations, and incidental details have been changed, the salient facts are true. Each story deals with some aspect of metaphysical phenomena such as intuition, synchronicity, astral travel, bilocation, time warps, past lives, cell and soul memories, healings, hauntings, miracles, and sightings. Psychic sightings include everything from angels to ghosts. The strangeness of the stories led authors Marion K. Williams and Elena J. Michaels on a fascinating journey of discovery trying to understand the world they thought they knew. All stories offer insights, and many challenge conventional scientific and religious beliefs.

Ridley Scott, the director of such seminal films as Blade Runner, Alien and Thelma & Louise, is one of the most important directors of the last fifty years. Unlike many directors, Scott has been remarkably transparent about his craft, offering the audience glimpses into his creative process. This book explores Scott's oeuvre in depth, devoting a chapter to his 22 primary works, from his first effort, Boy and Bicycle (1962), through Robin Hood (2010). Topics discussed include the critical reception of the films, and the ways in which Scott's works function as cinematic mediators of issues such as religion, women's rights and history.

Inspired by true events? Ties That Bind is one woman's quest to find out the truth involving her adoption. Secrets can't remain hidden forever. At what lengths would you go to find out the truth? Romantic, and suspenseful, Ties That Bind will have you swiftly turning the pages to find out.. Review of Ties That Bind: "Pat is a wonderfully engaging and comforting presence in the book. Even when White is describing her hardships, Pat has a sense of calm and strength that is reassuring. What binds the book together is White's empathy for her characters, and how Pat's story is so hopeful and optimistic. In the end, Pat's story feels like a life fully lived and it's a gratifying and enjoyable read to experience it with her."
