The four stories that make up the Mabinogi, along with three additional tales from the same tradition, form this collection and compose the core of the ancient Welsh mythological cycle. Included are only those stories that have remained unadulterated by the influence of the French Arthurian romances, providing a rare, authentic selection of the finest works in medieval Celtic literature. This landmark edition translated by Patrick K. Ford is a literary achievement of the highest order.

The Spear, is a gripping supernatural thriller by the master of horror, James Herbert. A young Mossad agent is found dead and private detective Harry Steadman is asked to investigate. On the hunt for a sinister arms dealer, however, what he discovers is a conspiracy of unfathomable horror. Neo-nazi cultists want to unleash an ancient and demonic power. A power so terrible it threatens the world itself . .

"These four volumes cover 791 books or series, 238 of them published during the 1980s and 1990s. the entries are 1,000 words long for single books and 1,500 for series, with a one-sentence summary beginning each entry followed by bibliographical information ... Volume 4 contains an extensive bibliography of critical works on science fiction and fantasy, a list of major award winners, a genre index." Booklist.

Set in a primal past, the Mabinogi bridges many genres; it is part pre-Christian myth, part fairytale, part guide to how nobles should act, and part dramatization of political and social issues. This edition of what has become a canonical text provides a highly engaging new translation of the work, an informative introduction, and a set of background contextual materials that help place the Mabinogi in the context of medieval Welsh history and culture.

In the rat race of our lives, the loss of our connection with the world of nature, and the lack of alternatives to society's conventions for marking important events in life, aspects of Celtic tradition can help. In this guide to Celtic ritual one of its great devotees brings to life the ancient rituals.

"Tales of giants and heroes, of beautiful maidens, of the Emperor of Rome and the Emperor Arthur, of legendary history and historical legend, all told with the skill of long-trained storytellers and sensitive touch of polished writers. Such are the four tales translated here: How Culhwch got Olwen, perhaps the oldest but certainly, by far, the most exuberant of Arthurian tales, the finely crafted Dream of Maxen Wledig, Emperor of Rome, who fell in love in his sleep, the folkloric triad of The Story of Lludd and Llefelys, with its link to the legends of Merlin, and the exceedingly colourful Dream of Rhonabwy.'" This is how John K. Bollard introduces his new translation of those four native Welsh tales found in the same two medieval manuscripts as the great classic *The Mabinogi*. The text is beautifully illustrated by Anthony Griffiths's photographs of the locations and landscapes evoked by and specifically named in the text, reminding us of the timelessness and beauty of the stories and land they inhabit.
