orientation so undergraduate students learn by doing, balanced with a managerial orientation so they see how marketing research decisions influence marketing management decisions and vice-versa. All new videos cases help bring concepts to life. Incorporates SPSS® Student Edition 13.0 exercises with data sets, and the software is included with every copy of this text.

This text presents marketing research concepts in a highly applied and managerial way. This is the only Australian/New Zealand text which balances qualitative and quantitative aspects within its field. The text is organized into 6 parts. The first 5 parts are based on a 6 step framework for conducting market research. *Part 1 covers the first 2 steps: problem
