Harold Averkamp (CPA, MBA) has worked as a university accounting instructor, accountant, and consultant for more than 25 years. He is the sole author of all the materials on AccountingCoach.com About Us

Introduction to Managerial Accounting, 4/e by Brewer/Garrison/Noreen is based on the market-leading text, Managerial Accounting, by Garrison, Noreen and Brewer. However, this is not simply a briefer book with chapters removed; B/G/N has been rethought and retooled to meet the needs of the market. B/G/N 4/e is a more accessible, yet thoroughly student-friendly text that satisfies the basic needs of the managerial accounting student without unnecessary depth on advanced topics associated with the follow-up course: cost accounting/cost management. Faculty and students alike will find this new edition has retained the hallmark features of the Garrison brand: author-written supplements, excellent readability, terrific examples, and balanced end-of-chapter material.

Managerial Accounting teaches students the fundamental concepts of managerial accounting in a concise and easy to comprehend fashion. Stimulating review materials at the end of each section helps students develop their

decision-making skills. Students are provided the tools and guidance to take more initiative in their learning, making them more engaged, more prepared, and more confident.

"Realizing that most students in an introductory managerial accounting course are not going to major in accounting, this book seeks to position managerial accounting in a broader context of business decision making."--Pref.

Close the gap between homework and exam performance with Warren/Reeve/Duchac's MANAGERIAL ACCOUNTING 13E! Market-leading MANAGERIAL ACCOUNTING has been on the forefront of innovation and change based on the needs of today's teaching and learning environment. Warren/Reeve/Duchac's MANAGERIAL ACCOUNTING 13e helps elevate student thinking with content that addresses each stage of the learning process from motivation to mastery. It motivates students to learn, provides

practice opportunities to better prepare for exams, and helps students achieve mastery with tools to help them make connections and see the big picture. The Complete Learning System in MANAGERIAL ACCOUNTING is built around the way students use textbooks to learn, study and complete homework, allowing them to achieve ultimate success in this course. The most significant changes for this edition involve a greater emphasis on service companies in the managerial accounting chapters. The end goal of Warren/Reeve/Duchac's MANAGERIAL ACCOUNTING learning system is to elevate thinking and create more empowered and prepared students--ready to take on the rest of their educational and career goals. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A less-expensive grayscale paperback version is available. Search for ISBN 9781680922936. Principles of Accounting is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for

today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.
