ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Written by experienced retailers, MECHANDISING MATH FOR RETAILING, 5/e introduces students to the essential principles and techniques of merchandising mathematics, and explains how to apply them in solving everyday retail merchandising problems. Instructor- and student-friendly, it features clear and concise explanations of key concepts, followed by problems, case studies, spreadsheets, and summary problems using realistic industry figures. Most chapters lend themselves to spreadsheet use, and skeletal spreadsheets are provided to instructors. This edition is extensively updated to reflect current trends, and to discuss careers from the viewpoint of working professionals. It adds 20+ new case studies that encourage students to use analytic skills, and link content to realistic retail challenges. This edition also contains a focused discussion of profitability measures, and an extended discussion of assortment planning.

The Handbook of Narcissism and Narcissistic Personality Disorder is the definitive resource for empirically sound information on narcissism for researchers, students, and clinicians at a time when this personality disorder has become a particularly relevant area of interest. This unique work deepens understanding of how narcissistic behavior influences behavior and impedes progress in the worlds of work, relationships, and politics!--EndFragment--

Volume 1 of the Prevention Book presents the principles of a programme for the prevention of the thalassaemia and other haemoglobin disorders, including a description of the various types of disorders requiring prenatal diagnosis, the strategies used for carrier screening, and a number of annexes listing upto date epidemiological and mutation data on thalassaemia. This book was written for use in combination with Volume 2, which describes many of the laboratory protocols in great detail.

The U.S. government is faced with growing challenges to managing its facilities and infrastructure. A number of factors such as shrinking budgets, an aging workforce, and increasing costs demand new approaches to federal facilities management. The Federal Facilities Council of the NRC has sponsored a number of studies looking at ways to meet these challenges. This fourth study focuses on the people and skills that will needed to manage federal facilities in the next decade and beyond. The book presents a discussion of the current context of facilities management; an analysis of the forces affecting federal facilities asset management; an assessment of core competencies for federal facilities management; a comprehensive strategy for workforce development; and recommendations for implementing that strategy.

This valuable and accessible work provides comprehensive information on America's top public companies, listing over 10,000 publicly traded companies from the New York, NASDAQ and OTC exchanges. All companies have assets of more than \$5 million and are filed with the SEC. Each entry describes business activity, 5 year sales, income, earnings per share, assets and liabilities. Senior employees, major shareholders and directors are also named. The seven indices give an unrivalled access to the information.
