administrator of the TASP. Taken by full- and part-time students entering Texas public colleges, universities, or technical institutes, the TASP was designed to ensure that students obtain the skills appropriate to their grade level. Failure to pass any TASP section will result in the assignment of remedial course work in that subject. However, studying the comprehensive reviews in this book will fully prepare the student to pass each section. Reviews in mathematics, reading skills, and writing skills are presented along with tips and sample problems to help develop reading and writing skills, as well as problem solving ability. All exam sections and review material were prepared by test experts in the educational field to assure their accuracy, difficulty level, and application to the actual examination.

A selection of essays on tragedy, this volume begins with the premise that any reading of tragedy can be stimulated and enriched by supplementary critical texts which have been selected for precisely those qualities that would enhance one's response to tragedy. The text attempts a reconstruction of the canon of the criticism of tragedy through a critical overview of traditional classical commentary, Russian Formalism, Reader Response Theory, Structuralism, Post-Structuralism, Deconstructionism, and Marxist criticism. Includes selections from the writings of Aristotle, Hegel, Nietzsche, Georg Lukacs, Arthur Miller, Karl Jaspers, Max Sheler, Laurence Michel, Henry Alonzo Myers, Northrop Frye, Albert C. Outler, and others.
