See the contents of the Workbook here: http://somup.com/cbj3jUVII4 START DOING WORK YOU LOVE. Live Your Life - A Step By Step Workbook to Live Your Life Doing Things You Love Was Designed to Solve the Most Common Challenges that anybody in this world Is Dealing With. Any of these sound familiar? "With all of the interests I have, will I be working on the right one?" "Will doing work I love still be able to support me and my family?" "I'm afraid I'll feel like a fraud. I don't have an expertise people will pay me for." "Am I too old?" "I have no idea how to start out in this." "The burden of expectations from family and society is simply unbearable." "No time! Too many priorities. Kids, family, work - it's endless." If this sounds familiar, don't worry - you're not alone. Our community's sole purpose is to help you get from where you are now, to doing work that actually excites you! Here's the real question... When you're 80 years old, will you regret not taking the road less traveled and seeing what could have been possible? Your other options? You could hire a career coach to help you through the process, spending \$100+/hr and up to \$1,000+ per month... You could read dozens of books and take a boatload of self-assessments, wasting precious time and \$500-\$1000+... You could even do a weekend career change workshop and spend \$500-\$2500+ for just a few days! While these may and probably would help, they're crazy expensive! OR You could purchase this Work Book and do the exercises for little to minimal investment. Whats the Worst that could have happen? If your life don't change after doing all the exercises? Throw this book away and move on with your pitiful life. But If you are desperate for CHANGE, Put in Some Effort and I guarantee You WILL CHANGE! So What specifically will I learn from doing this workbook? The work book presents a framework to help you accomplish two core goals: 1. To discover your career and personal passions, strengths and talents 2. To build those talents and passions into a career or business that makes you come alive Do I have to become an entrepreneur? Nope. Living Your Life Workbook isn't only for people who want to start their own business. It's about finding and doing work that leverages your strengths, passions and who you are as a person, so you can start doing work that matters to you and to the world. Whatever that is, that's for you to decide, and our workbook is built to help make those decisions much more obvious. I can't just quit my job and start over. Is that what you're going to tell me to do? Not at all. If you look around, pretty much everyone has financial, personal and family obligations. The key is to find what excites you and begin to build a career around it long before you ever have to actually quit. That way there is a ton less risk and potential panic. Our goal is for you to make a transition that gives you the best chance at making your impact on the world. We've also seen a lot of those who did our exercises who find ways to apply their newly discovered strengths to their current job, which leads to a whole new level of fulfillment and excitement, so they never even need to quit. It's pretty fun to see what's possible once you start making these discoveries! Do yourself a favor and get a copy for yourself or for someone you knows who needs this Now!

This book is about you, getting to know yourself for who you really are and learning how to see all the good there is for you already in place. If you want to go up the ladder of success, if you want to get what you want, if you want to fulfill that "burning desire" that keeps your mind busy all the time and you do not do something about it, if you want to do "that thing" that you wanted to do some day but you never got a chance to do so, you must take your hands out of your pockets, roll up your sleeves, and take action now. You cannot sit still and expect the elevator of success to come down and take you to the peak. It has not happened to anyone. It will not happen to you either, guaranteed! Over the past several years I have helped many people like you to take their hands out of their pockets and climb their ladder of success. I have spent quality time with them, listened to them, felt their pain, assisted them in taking the right path, and made sure they came out of the process successful and fulfilled. I want to help you too. If you are committed to YOUR success and want to get what you truly want, this book is an excellent start. Are you ready for the journey?

Affirmations are a powerful way to quickly change your life by changing the way that you think about yourself. Working on our mindset is an every day and never ending process. It is often said that if we are not growing, we are dying. At Changing Minds Online, we believe in committing time daily to shifting our mindset to one of abundance. You can use this book to pinpoint specific areas of your mindset that require attention and reprogram them to abundant and rewarding beliefs. Simply, choose an area that requires attention, open the page to that section and read the affirmations out loud. Doing so literally and immediately will change your neurology. You will instantly begin to change your mindset and your vibrational energy will become a powerful attractor to

whatever it is that you want. Do this daily and watch as your life begins to change right before your eyes. You can be, do and have whatever you want IF your mindset is aligned with what you want. Using this book daily will ensure that you are aligned with your source of power and have the most abundant and powerful mindset possible.

Personal account of how a traumatic injury brought the author closer to God.

This book will ask you to make one of the most important decisions you have ever made in your life. It has nothing to do with buying anything, marrying anyone or whether or not to make a major move. Yes, those are important decisions but the decision you will explore in this book is much bigger. Learn how to use your past, your history, and your junk as a launching platform to change your future.
