Every love leaves an echo. . . What do you do when you discover your whole life was a lie? In Mary Carter's unforgettable new novel, one woman is about to find out. . . At twenty-eight, Lacey Gears is exactly where she wants to be. An up-and-coming, proudly Deaf artist in Philadelphia, she's in a relationship with a wonderful man and rarely thinks about her difficult childhood in a home for disabled orphans. That is, until Lacey receives a letter that begins, "You have a sister. A twin to be exact. . ." Learning that her identical, hearing twin, Monica, experienced the normal childhood she was denied

resurrects all of Lacey's grief, and she angrily sets out to find Monica and her biological parents. But the truth about Monica's life, their brief shared past, and the reason for the twins' separation is far from simple. And for every one of Lacey's questions that's answered, others are raised, more baffling and profound. Complex, moving, and beautifully told, My Sister's Voice is a novel about sisterhood, love of every shape, and the stories we cling to until real life comes crashing in. . . "At once a story about love and loss, family and friends, the world of the hearing and that of the deaf, My Sister's Voice satisfies on many levels." --Holly Chamberlin, author of The Family Beach House "Gripping, entertaining and honest. This is a unique, sincere story about the invisible, unbreakable bonds of sisterhood that sustain us no matter how far they're buried." --Cathy Lamb, author of Henry's Sisters

Mary Carter's writing dazzles with its warmth and quirkiness, and her fourth romantic novel for Little Black Dress will not disappoint!

A hilarious and moving memoir—in the spirit of Anne Lamott and Nora Ephron—about a woman who returns home to her close-knit Mennonite family after a personal crisis Not long after Rhoda Janzen turned forty, her world turned upside down. It was bad enough that her brilliant husband of fifteen years left her

for Bob, a guy he met on Gay.com, but that same week a car accident left her with serious injuries. What was a gal to do? Rhoda packed her bags and went home. This wasn't just any home, though. This was a Mennonite home. While Rhoda had long ventured out on her own spiritual path, the conservative community welcomed her back with open arms and offbeat advice. (Rhoda's good-natured mother suggested she date her first cousin—he owned a tractor, see.) It is in this safe place that Rhoda can come to terms with her failed marriage; her desire, as a young woman, to leave her sheltered world behind; and the choices that both freed and entrapped her. Written with wry humor and huge personality—and tackling faith, love, family, and aging—Mennonite in a Little Black Dress is an immensely moving memoir of healing, certain to touch anyone who has ever had to look homeward in order to move ahead.

Presenting the essential writings of black lesbian poet and feminist writer Audre Lorde, Sister Outsider celebrates an influential voice in twentieth-century literature.

"[Lorde's] works will be important to those truly interested in growing up sensitive, intelligent, and aware."—The New York Times

In this charged collection of fifteen essays and speeches, Lorde takes on sexism, racism, ageism, homophobia, and class, and propounds social difference as a vehicle for action and change. Her prose is incisive, unflinching,

and lyrical, reflecting struggle but ultimately offering messages of hope. This commemorative edition includes a new foreword by Lorde-scholar and poet Cheryl Clarke, who celebrates the ways in which Lorde's philosophies resonate more than twenty years after they were first published. These landmark writings are, in Lorde's own words, a call to "never close our eyes to the terror, to the chaos which is Black which is creative which is female which is dark which is rejected which is messy which is . . . "

In the tradition of the bestselling *Ophelia Speaks*, a collection of provocative essays by teenage girls of color *My Sisters' Voices* is a passionate and poignant collection of writings from teenage girls of African American, Hispanic, Asian American, Native American, and biracial backgrounds. With candor and grace, they speak out on topics that are relevant not only to themselves and their peers but to anyone who is raising, teaching, or nurturing young women of color. As adolescents, women, and minorities, these young authors represent a demographic that has had no voice of its own, a group often spoken for but rarely given the opportunity to be heard. Now these young women have a chance to stand up and be counted, to present their own unique perspectives in fresh and astonishing ways. Here you'll find a Native American girl writing about the bumps in her relationship with her best friend, who's

white; a Korean American girl who wishes she could help her mother understand that it's okay to socialize with boys as well as girls; and a biracial girl who feels she must be the designated spokesperson for blacks when she's around whites, for whites when she's around blacks, and for biracial people around everyone. These personal and inspiring stories about family, friendship, sex, love, poverty, loss, and oppression make My Sisters' Voices essential reading for young women of all backgrounds.

"I was born into a mentally ill family. My sister was the officially crazy one, but really we were all nuts." So begins My Sister from the Black Lagoon, Laurie Fox's incandescent novel of growing up absurd. Lorna Person's tale is wrested from the shadows cast by her sister, Lonnie, whose rages command the full attention of her parents. Their San Fernando Valley household is off-key and out of kilter, a place where Lonnie sees evil in the morning toast and runs into the Burbank hills to join the animals that seem more like her kin. Lorna, on the other hand, is an acutely sensitive girl who can't relate to Barbie. "Could Barbie feel sorrow? Could Barbie understand what it's like to be plump, lonely, Jewish?" My Sister from the Black Lagoon is a wisecracked bell jar, a heartbreaking study

of sane and crazy. Laurie Fox's delightful voice is knowing yet wide-eyed, lyrical, and witty.

This is the story of the American social worker, Grace Abbott (1878-1939), as told by her sister and social justice comrade, Edith Abbott (1876-1957). Edith recalls the Nebraska childhood, achievements, and struggles of her sister who, as head of the Immigrants' Protective League and the U.S. Children's Bureau, championed children's rights from the slums of Chicago to the villages of Appalachia.
