The eighth book in the NYT bestselling Expanse series, *Tiamat's Wrath* finds the crew of the *Rocinante* fighting an underground war against a nearly invulnerable authoritarian empire, with James Holden a prisoner of the enemy. Now a Prime Original series. Thirteen hundred gates have opened to solar systems around the galaxy. But as humanity builds its interstellar empire in the alien ruins, the mysteries and threats grow deeper. In the dead systems where gates lead to stranger things than alien planets, Elvi Okoye begins a desperate search to discover the nature of a genocide that happened before the first human beings existed, and to find weapons to fight a war against forces at the edge of the imaginable. But the price of that knowledge may be higher than she can pay. At the heart of the empire,

Teresa Duarte prepares to take on the burden of her father's godlike ambition. The sociopathic scientist Paolo Cortázar and the Mephistophelian prisoner James Holden are only two of the dangers in a palace thick with intrigue, but Teresa has a mind of her own and secrets even her father the emperor doesn't guess. And throughout the wide human empire, the scattered crew of the Rocinante fights a brave rear-guard action against Duarte's authoritarian regime. Memory of the old order falls away, and a future under Laconia's eternal rule -- and with it, a battle that humanity can only lose -- seems more and more certain. Because against the terrors that lie between worlds, courage and ambition will not be enough... The Expanse Leviathan Wakes Caliban's

The sixth novel in James S.A. Corey's New York Times bestselling Expanse series--now a new original series from the Syfy Channel, coming December 14th 2015. The final war has started. The protomolecule, fairly quiescent since the opening of the gates, has identified its enemy and is arming itself for battle. Humanity is at most a tool in its post-human arsenal. When people, ships, and even places begin to disappear, Holden and the crew of the Rocinante have to face the fact that the thing they've been hauling through the depths of space only appears to be

Detective Miller. The time when the protomolecule's agenda and humanity's overlapped has passed. As the protomolecule takes control of the ancient networks and relays, the final battle begins. Holden and his allies are faced with the decision of whether to blow the gates, trapping humanity in beads of disconnected worlds, or engage in a battle that they can only lose no matter who wins.

Based on the bestselling books and tying into the hit television series, **THE EXPANSE ORIGINS** reveals the untold origins of the crew members of *The Rocinante*. As interplanetary tensions reach an all-time high, the crew of *The Rocinante* finds themselves at the center of a conflict that threatens to destroy all of human civilization. But before they were

heroes, each member of the crew faced moments that would come to define them and brought them one step closer to the ship they now call home.

The first book in the revolutionary New York Times bestselling Expanse series, a modern masterwork of science fiction. Leviathan Wakes introduces Captain James Holden, his crew, and Detective Miller as they unravel a horrifying solar system wide conspiracy that begins with a single missing girl. Now a Prime Original series. Humanity has colonized the solar system - Mars, the Moon, the Asteroid Belt and beyond - but the stars are still out of our reach. Jim Holden is XO of an ice miner making runs from the rings of Saturn to the mining stations of the Belt. When he

and his crew stumble upon a derelict ship, the Scopuli, they find themselves in possession of a secret they never wanted. A secret that someone is willing to kill for - and kill on a scale unfathomable to Jim and his crew. War is brewing in the system unless he can find out who left the ship and why. Detective Miller is looking for a girl. One girl in a system of billions, but her parents have money and money talks. When the trail leads him to the Scopuli and rebel sympathizer Holden, he realizes that this girl may be the key to everything. Holden and Miller must thread the needle between the Earth government, the Outer Planet revolutionaries, and secretive corporations - and the odds are against them. But out in the Belt, the rules are different, and one small ship can change the fate of the universe.
