Never Work Again: Work Less, Earn More and Live Your Freedom Welcome to a very different kind of business book. *Never Work Again* shows you how you can build a successful and profitable business without the long hours and high stress that most entrepreneurs suffer from. Trust me – I've been there and it's not fun. In the months after I started my first business I didn't know any better. My business was making me ill, but I was too wrapped up in what I was doing to spot the signs let alone to do anything about it. That is until the day I found myself on a London tube train begging a stranger to call me an ambulance and thinking I was going to die. That was my wake-up call. Luckily I got a second chance. That day I realised that life is short and precious and I made a decision that if I pulled through I was going to do things differently. I decided to restructure my business efforts so that I could live life to the full. What I decided to create for myself was: A business that I could be proud of The financial freedom to live the life of my dreams The time freedom to do the things I love and to be with the people who matter most to me And now I want to help you do the same. After all, deciding to start your own business is something you do because you have a vision of a better life for you and your family. It's your chance to take control and live life on your terms. And done right it will give you the financial freedom and the time freedom to do the things you love, when you want to do them and with the people who matter most in your life. *Never Work Again* will show you how to create a business that gives you the time to work on your own passions in life. In short, a business that allows you to work less and earn more. *Starting Your Virtual Business: Never Work Again* shows you how you can easily start your own no-money down virtual business – a business that will make you money online and allow you to quickly achieve financial freedom and time freedom. All you need to do is choose from a number of simple blueprints and follow the one that's right for you You will learn how to create positive habits that will free up your time and allow your business to grow more quickly than you ever thought possible You will be able to work from home or work virtually from anywhere on the planet – what's your favourite city or beach?! And you will learn how to automate and outsource your business, leveraging other people's time for your own benefit so that you can start living the life you really want But more than this, *Never Work Again* explores what it means to live a truly happy and fulfilled life – to really live the life of your dreams. It encourages you to examine your own motivations and desires in order to determine your true purpose and path in life – so you can discover what freedom really means for you. Remember, your time is precious – in fact, it's the most precious resource that you have. Don't waste another second of it doing things that you don't absolutely love. Learn how to start creating the life of your dreams today.

Hannah Beckerman pens a life-affirming novel that tells the story of a family divided and the secret that can possibly unite them—a must for fans of *This Is Us*. “I loved it (even though it made me cry).”—Jojo Moyes A secret between two sisters. A lifetime of lies unraveling. Can one broken family find their way back to each other? Audrey's dream as a mother had been for her daughters, Jess and Lily, to be as close as only sisters can be. But now, as adults, they no longer speak to each other, and Audrey's two teenage granddaughters have never met. Audrey just can't help feeling like she's been dealt more than her fair share as she's watched her family come undone over the years, and she has no idea how to fix her family as she wonders if they will ever be whole again. If only Audrey had known three decades ago that a secret could have the power to split her family in two, and yet, also keep them linked. And when hostilities threaten to spiral out of control, a devastating choice that was made so many years ago is about to be revealed, testing this family once and for all. Once the truth is revealed, will it be enough to put her family back together again or break them apart forever? “Utterly compelling and completely heartbreaking. I couldn't put it down.” — Ruth Hogan “Totally engrossing, achingly sad and so perceptive about the corrosive legacy of family secrets.”—Kate Eberlen, author of *Miss You*

From bestselling writer David Graeber—“a master of opening up thought and stimulating debate” (Slate)—a powerful argument against the rise of meaningless, unfulfilling jobs...and their consequences. Does your job make a meaningful contribution to the world? In the spring of 2013, David Graeber asked this question in a playful, provocative essay titled “On the Phenomenon of Bullshit Jobs.” It went viral. After one million online views in seventeen different languages, people all over the world are still debating the answer. There are hordes of people—HR consultants, communication coordinators, telemarketing researchers, corporate lawyers—whose jobs are useless, and, tragically, they know it. These people are caught in bullshit jobs. Graeber explores one of society's most vexing and deeply felt concerns, indicting among other villains a particular strain of finance capitalism that betrays ideals shared by thinkers ranging from Keynes to Lincoln. “Clever and charismatic” (The New Yorker), *Bullshit Jobs* gives individuals, corporations, and societies permission to undergo a shift in values, placing creative and caring work at the center of our culture. This book is for everyone who wants to turn their vocation back into an avocation and “a thought-provoking examination of our working lives” (Financial Times).

In 2006, whilst working in a full-time job, James Schramko wrote this in a notebook: MY GOALS ... create automated income so that I am independently wealthy and enjoy my life passionately. Within three years, he'd built his own business and achieved those goals. At which point he set about helping his coaching clients do the same. Leveraging his knowledge and experience, they were able to make more money while reducing their work hours. Significantly. This freed them up to spend more time living. It's easy to think working less and making more is something available only to a blessed few. But James has proven over and over again that this is not the case. All you require is: - An open mind, - The ability to focus on what's important, - An understanding of business models, and- A willingness to challenge your assumptions. *Work Less, Make More* will break down all the barriers standing between you and the above. It will teach you how to effectively leverage yourself, your team and your business via: - Increasing your personal effectiveness- Planning and goalsetting- Learning focus and the power of 64:4- Building a team- Creating an offer that converts- Leveraging the Profit Formula to boost cash flow- Understanding the importance of Customer Lifetime Value- Choosing the right business model- Removing compromise from your life This book is for you if you are: - A business owner (big or small)- Currently in a job with a hard ceiling on how much you can earn- Overworked and underpaid- Stressed out and missing out on precious time with family and friends. If you want to build a business that gives you financial peace of mind while allowing you to enjoy life NOW, not later ... *Work Less, Make More* will get you on your way. It will help ensure the business you're building will work for you, not the other way a

Examines the critical art of rethinking: learning to question your beliefs and to know what you don't know, which can position you for success at work and happiness at home. It is a book about the benefit of doubt, and about how we can get better at embracing the unknown and the joy of being wrong

A former international hostage negotiator for the FBI offers a new, field-tested approach to high-stakes negotiations—whether in the boardroom or at home. After a stint policing the rough streets of Kansas City, Missouri, Chris Voss joined the FBI, where his career as a hostage negotiator brought him face-to-face with a range of criminals, including bank robbers and terrorists. Reaching the pinnacle of his profession, he became the FBI's lead international kidnapping negotiator. *Never Split the Difference* takes you inside the world of high-stakes negotiations and into Voss's head, revealing the skills that helped him and his colleagues succeed where it mattered most: saving lives. In this practical guide, he shares the nine effective principles—counterintuitive tactics and strategies—you too can use to become more persuasive in both your professional and personal life. Life is a series of negotiations you should be prepared for: buying a car, negotiating a salary, buying a home, renegotiating rent, deliberating with your partner. Taking emotional intelligence and intuition to the next level, *Never Split the Difference* gives you the competitive edge in any discussion.
