In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

The long awaited sequel to the bestselling novel Adam. At twenty-two Adam learns that he has come into some property: a vineyard in southern France. Leaving old loves and friends behind he moves, only to find himself somewhat isolated. Stphane, Adam's sexy new neighbour comes to his rescue, and is soon giving Adam much more than advice on managing his vineyard... When Adam's teenage lover reappears on the scene, Adam must decide exactly what, and who, he really wants.

Two sisters, aged fourteen and fifteen, offer their views of events that occur during the year after their mother is diagnosed with schizophrenia and their family, including a recently adopted Russian orphan, begins to disintegrate.

"Readers with a strong stomach will enjoy this unusual memoir laced with a natural history of poison." - Publishers Weekly Years after Dr. William Macbeth died, his ornate medicine case passed to his estranged son. Over the protests of his family, the son

buried it deep in the ground, out of sight and out of reach. Then ten-years-old, Macbeth's granddaughter Gail Bell watched the mysterious case of elixirs arrive at her home. She watched her father treat it like a poison chalice. Only decades later would she understand why: the case concealed evidence of her family's deadly secret. In 1927, Macbeth was accused of poisoning two of his sons. He never stood trial. Bell, determined to discover how this "calm, warm, and caring" healer could become a cunning murderer--and evade detection--eventually uncovered the dark secrets that her father had tried to

hide from the world. But as the unexpected twists of her investigation reveal, nothing is as straightforward as it seems. At the same time, she explores what the crime of poisoning reveals about humanity, through the perspectives of myth, history, fiction, and the great poison trials. A pharmacist by profession, and the granddaughter of a suspected poisoner by circumstance, she is perfectly placed to revisit the cases of Cleopatra, Emma Bovary, Napoleon's doctor, Harold Shipman, and Dr. Crippen, and she is equally well-suited to chronicle the devastating effects of poison's many forms,

stay in a quiet banana republic, revolution interrupts her sinister master plan. Forced into action to once again prevent genocide, she ends up taking on far more responsibility than she ever wanted. With the fate of an entire nation in her hands, and the enemies against her both hidden and blatant, she'll be hard-pressed to give her adopted country a happy ending. But she is Dire, and her enemies will fear her before all is done. This is the fourth book in the Dire Saga, and the fourth full novel of the Tales from the Teslaverse Project.
