The planes have always been a place of great mystery and danger in the Dungeons & Dragons Roleplaying Game, and the new array of planes debuting in this fourth edition continues that grand tradition.

This handbook for Advanced Dungeons and Dragons game enthusiasts contains rules, rule modifications, and spell effects for the ethereal, astral, inner, and outer planes, as well as rules for planar travel and adventures

Builds on the overview of the Manual of the Planes™ game supplement, providing coverage of Elemental Chaos topics ranging from the City of Brass to the githzerai monastery of Zerthadlun, in a reference that also profiles an array of new monsters, demons and adventure options.

This supplement builds on the overview of the Astral Sea presented in the "Manual of the Planes" game and explores the heavenly plane in greater detail. The work also presents a multitude of new monsters.

This new handbook is the complete guide to integrating planar travel into any D&D campaign.
