Quentin Tarantino's Once Upon a Time... in Hollywood visits 1969 Los Angeles, where everything is changing, as TV star Rick Dalton (Leonardo DiCaprio) and his longtime stunt double Cliff Booth (Brad Pitt) make their way around an industry they hardly recognize anymore. The ninth film from the writer-director features a large ensemble cast and multiple storylines in a tribute to the final moments of Hollywood's golden age.

Once Upon a Time In Hollywood could have been longer had some scenes been kept, and here’s every deleted scene and what they are about.
Quentin Tarantino’s career as a filmmaker began in 1992 with the crime film Reservoir Dogs, and while it was very well received by critics, his big break arrived two years later with Pulp Fiction.Since then, Tarantino has explored different genres and ...

Once Upon A Time In Hollywood: Every Deleted Scene Explained

Once Upon A Time In China was one of many Chinese films to feature Wong Fei-Hunt (Jet Li) who was a symbol of Chinese nationalism against the incursion of foreigners in the 1800s. This was the first in a series of films directed by Tsui Hark. While there’s plenty of great action sequences and comedy as well it suffers from a meandering plot.

Once Upon a Time in the Valley

Quentin Tarantino’s long-awaited first work of fiction—at once hilarious, delicious and brutal—is the always surprising, sometimes shocking, novelization of his Academy Award winning film. RICK DALTON—Once he had his own TV series, but now Rick’s a washed-up villain-of-the week drowning his sorrows in whiskey sours. Will a phone call from Rome save his fate or seal it? CLIFF BOOTH—Rick’s stunt double, and the most infamous man on any movie set because he’s the only one there who might have got away with murder. . . . SHARON TATE—She left Texas to chase a movie-star dream, and found it. Sharon’s salad days are now spent on Cielo Drive, high in the Hollywood Hills. CHARLES MANSON—The ex-con’s got a bunch of zonked-out hippies thinking he’s their spiritual leader, but he’d trade it all to be a rock ‘n’ roll star.

When wily animals, everyday people and magical beings come together in a collection of Japanese fairytales and stories, wonderful things are bound to happen! Bringing Japanese folk stories to the English-speaking world, this book presents eight stories from the popular NHK Japan Broadcasting Corporation’s popular radio series Once Upon a Time in Japan. Each story is brilliantly illustrated by a talented Japanese artist. The tales recounted here are among Japan’s oldest and most beloved stories. Entertaining and filled with subtle folk wisdom, these retold stories have been shared countless times in Japanese homes and schools for generations. Like good stories from every time and place, they never grow old. Kids (and their parents!) will enjoy hearing these stories read aloud on the accompanying CD. The fairytales and classic stories in this collection include: The Wife Who Never Eats—the story of a man who learns the hard way the evils of stinginess. The Mill of the Sea—the story of how a greedy man was responsible for the saltiness of sea water. The Monkey and the Crab—the crabs teach a tricky monkey a lesson in fairness and honesty. The Magical Hood—an act of kindness reaps great rewards. Sleepyhead Taro and the Children—a story about what can be accomplished at the right time, and with the right help and the right spirit. The Fox and the Otter—how a fox pays the price of deceit and selfishness. The Gratitude of the Crane—a story about the rewards of kindness and the danger of curiosity. The Tale of the Bamboo Cutter—a girl who starts life very tiny turns out to be big in many ways.

Sharing nothing in common except their 16-year-old daughter, divorced parents John and Irene reconnect in the wake of a devastating tragedy and discover things about each other that they had not revealed during their marriage. By the award-winning author of The Last Time I Saw You. Reprint.

Few directors are characterized by both extraordinary film craft and the ironic reputation for lowbrow films. Despite his many achievements as a child of the Italian Cinecitta studios, however, Sergio Leone has been judged severely by writers who find his films lacking in ideas and moralists who find his films unduly cynical. Nevertheless, Leone’s greatest cinematic achievement, Once Upon a Time in the West, served to refute these criticisms while exposing the director’s unique romanticism and artistic ambition. As Leone’s fourth successful American western film, Once Upon a Time in the West earned him acclaim for liberating the western genre, restoring it to a place of antique American simplicity. The principal goal of this book is to sharpen an appreciation for Sergio Leone and his most famous American western. The first two chapters deal with the relationship between Once Upon a Time in the West and the western films that preceded it, particularly those of John Ford. Subsequent chapters concentrate on the central characters of Once Upon a Time in the West, with special attention to Jill, Leone’s first female protagonist and a surprisingly successful character, central to the plot and accorded a kind of existential strength usually reserved for men in Westerns. The sixth, seventh and eighth chapters address Leone’s visual style, which represents a unique fusion of Hollywood classicism and modernism, and reveals the influences of Italian Surrealism and the French New Wave. The final chapters explore the rhythm, romanticism, and musical character of Once Upon a Time in the West, espousing the theory that Leone’s approach to film is, above all, musical.

Once upon a time there was a grown-up looking for a book with very short bedtime stories for a kid who wouldn't go to sleep. So the grown-up picked up this book and read this flap and took the book home and read it out loud and they both laughed and fell fast asleep fast. Just like you. The end.

Inspired by the Robert De Niro film, this story spans three generations of a family of Jewish immigrants to the United States. A gang of friends discover - through trust, hard work and brutality - the true meaning of the American Dream.

This fun, quirky book contains 11 cute and whimsical fairytale favourites ... using gorgeous amigurumi designs. The book also contains an easy-to-use step-by-step techniques section, showing the reader how to pin out their crochet pieces before assembling, make moving arms and legs and create a range of hairstyles.

"Knights, fairy godmothers, giants and beanstalks--all of these and more fill the pages of the conclusion to the Half Upon a Time trilogy"--

Waking in the middle of the night whilst on holiday, Tony Hawks declares an epiphany to his barely conscious partner Fran. Fed up of living in a city where the only contact with his neighbours in three years was a dispute over a boundary fence, his mind has been made up and it's time for a change... of postcode. At the age of 53, Tony is finally ready to renounce his London lifestyle and head for the countryside, and to his enormous surprise, Fran agrees. Once Upon a Time in the West... Country tells the story of how a series of events lead Tony and Fran to uproot their city lives for a rural alternative in deepest Devon. Full of Tony's trademark mixture of humour, hope, adventure and absurdity, this book will chart their journey as they adapt from the relative ease of city life to the vagaries of a village community. But between organic gardening courses, attending village meetings and the impending birth of his first child, Tony still has time for one last adventure, cycling coast to coast with a mini pig called Titch. Full of eclectic characters - including the best neighbour in the world - Once Upon a Time in the West... Country is the heartwarming and hilarious tale of Tony Hawks' new life in the country.

A gripping and shocking insight into the lives of Russia's most famous oligarchs from New York Times bestselling author of The Accidental Billionaires and Bringing Down the House. Once Upon a Time in Russia is the untold true story of the larger-than-life billionaire oligarchs who surfed the waves of privatization to reap riches after the fall of the Soviet regime: "Godfather of the Kremlin" Boris Berezovsky, a former mathematician whose first entrepreneurial venture was running an automobile reselling business, and Roman Abramovich, his dashing young protg who built a multi-billion-dollar empire of oil and aluminium. Locked in a complex, uniquely Russian partnership, Berezovsky and Abramovich battled their way through the "Wild East" of Russia with Berezovsky acting as the younger man's krysha- literally, his roof, his protector. Written with the heart-stopping pace of a thriller -but even more compelling because it is true- this story of amassing obscene wealth and power depicts a rarefied world seldom seen up close. Under Berezovsky's krysha, Abramovich built one of Russia's largest oil companies from the ground up and in exchange made cash deliveries - including 491 million dollars in just one year. But their relationship frayed when Berezovsky attacked President Vladimir Putin in the media - and had to flee to the UK. Abramovich continued to prosper. Dead bodies trailed Berezovsky's footsteps, and threats followed him to London, where an associate of his died painfully and famously of Polonium poisoning. Then Berezovsky himself was later found dead, declared a suicide. Exclusively sourced, capturing a momentous period in recent world history, Once Upon a Time in Russia is at once personal and political, offering an unprecedented look into the wealth, corruption, and power behind what Graydon Carter called 'the story of our age'.
