Alack Sinner: The Age of Innocence is the first of two volumes that present for the first time in English the complete Alack Sinner comics by the Argentine-born team of artist Jose Munoz and writer Carlos Sampayo. Sinner is a hard-boiled private detective whose adventures are played out to a jazz soundtrack in a noir New York from 1975 through the 2000s. The stories are imbued with a deep political conscience and present a scathing critique of corruption in society, juxtaposed with meditations on the nature of violence and exile. The authors have rearranged the stories in chronological order of the characters and
