Taylor Swift meets Sarah Dessen in this emotional summer story of love and true friendship

Access Free Open Road Summer Emery Lord

A compelling story of love, loss, and faith, as a teen struggles in the wake of her mother's cancer diagnosis.

Acclaimed author Emery Lord pens another gorgeous story of best friends, new love, and second chances. * "Will inspire readers."
--SLJ, starred review It's been a year since it happened--when Paige Hancock's first boyfriend died in an accident. After shutting out the world for two years, Paige is finally ready for a second chance at high school . . . and she has a plan. First: Get her old crush, Ryan Chase, to date her--the perfect way to convince everyone she's back to normal. Next: Join a club--simple, it's high school after all. But when Ryan's sweet, nerdy cousin, Max, moves to town and recruits Paige for the Quiz Bowl team (of all things!) her perfect plan is

Access Free Open Road Summer Emery Lord

thrown for a serious loop. Will Paige be able to face her fears and finally open herself up to the life she was meant to live? Acclaim for *The Start of Me and You* A Huffington Post Top YA Books of 2015 One of PopSugar's Best YA Books of 2015

"Can seventeen-year-old Jonah save his family restaurant from ruin, his mother from her sadness, and his danger-seeking girlfriend Vivi from herself?"--

Told with Beth Harbison's wit and warmth, *If I Could Turn Back Time* is the fantasy of every woman who has ever thought, "If I could go back in time, knowing what I know now, I'd do things so differently..." Thirty-seven year old Ramie Phillips has led a very successful life. She made her fortune and now she hob nobs with

Access Free Open Road Summer Emery Lord

the very rich and occasionally the semi-famous, and she enjoys luxuries she only dreamed of as a middle-class kid growing up in Potomac, Maryland. But despite it all, she can't ignore the fact that she isn't necessarily happy. In fact, lately Ramie has begun to feel more than a little empty. On a boat with friends off the Florida coast, she tries to fight her feelings of discontent with steel will and hard liquor. No one even notices as she gets up and goes to the diving board and dives off... Suddenly Ramie is waking up, straining to understand a voice calling in the distance...It's her mother: "Wake up! You're going to be late for school again. I'm not writing a note this time..." Ramie finds herself back on the eve of her eighteenth birthday, with a second chance to see the people she's lost and change the choices she regrets. How did she get back here? Has she gone off the deep end? Is she really back in time? Above

Access Free Open Road Summer Emery Lord

all, she'll have to answer the question that no one else can: What it is that she really wants from the past, and for her future?

Dive into a world of enchantment and romance in this lush fantasy, which Stephanie Perkins, international bestselling author of *Anna and the French Kiss*, called "an absolute delight—a magical, sparkling, dangerous world with witty repartee and a romance that will light your heart on fire." Fans of Libba Bray and Cassandra Clare will fall in love with this captivating stand-alone novel from Kiersten White, *New York Times* bestselling author of the *Paranormalcy* trilogy. Jessamin has been an outcast since she moved from her island home of Melei to the dreary country of Albion. Everything changes when she meets the gorgeous, enigmatic Finn, who introduces her to the secret world of Albion's

Access Free Open Road Summer Emery Lord

nobility. It's a world that has everything Jessamin doesn't—power, money, status . . . and magic. But Finn has secrets of his own, and the vicious Lord Downpike will do anything to possess them. Unless Jessamin, armed only with her wits, can stop him.

"Gut-bustingly funny and exquisitely tender." - Katie Cotugno, New York Times bestselling author of 99 Days Acclaimed author Emery Lord crafts a gorgeous story of friendship and identity, daring to ask: What happens after happily ever after? It's senior year, and Paige Hancock is finally living her best life. She has a fun summer job, great friends, and a super charming boyfriend who totally gets her. But senior year also means big decisions. Weighing "the rest of her life," Paige feels her anxiety begin to pervade every decision she makes. Everything is exactly how she always wanted it to be--how

Access Free Open Road Summer Emery Lord

can she leave it all behind next year? In her head, she knows there is so much more to experience after high school. But in her heart, is it so terrible to want everything to stay the same forever? Emery Lord's award-winning storytelling shines with lovable characters and heartfelt exploration of life's most important questions. He's a movie star. I'm just a girl from a small town. He lives in L.A.

Access Free Open Road Summer Emery Lord

when he's not traveling the world. I live in Utah, and the furthest I've been is a few states away. He's beautiful. I'm . . . just me. Talbot Green is the man who has everything—fame, money, adoring fans—and I'm just a girl from a small town, childhood friends with his publicist, and looking forward to spending a few days in warm and sunny California. Then I saved his life. In front of the paparazzi. And suddenly, my face is everywhere—on social media, on TV, on magazine covers. Suddenly, I'm not just a girl from a small town, who's living a small life. Suddenly . . . I belong to Talbot Green, at least in the eyes of the media. And also . . . perhaps in the eyes of Talbot himself. But maybe, just maybe, he belonged to me right back.

During one month in the autumn of election year 2000, scores of

Access Free Open Road Summer Emery Lord

movie-business strivers are focused on one goal: getting a piece of an elusive, but surely huge, television saga, the one that opens with Huns sweeping through Mongolia and closes with a Mormon diviner in the Las Vegas desert; the sure-to-please-everyone multigenerational TV miniseries about diviners, those miracle workers who bring water to perpetually thirsty (and hungry and love-starved) humankind. Among the wannabes: Vanessa Meandro, hot-tempered head of Means of Production, an indie film company; her harried and varied staff; a Sikh cab driver, promoted to the office of -theory and practice of TV; a bipolar bicycle messenger, who makes a fateful mis-delivery; two celebrity publicists, the Vanderbilt girls; a thriller writer who gives Botox parties; the daughter of an L.A. big-shot, who is hired to fetch Vanessa's Krispy Kremes and more; a word man who coined the phrase -- inspired by a true story; and a

Access Free Open Road Summer Emery Lord

supreme court justice who wants to write the script. A few true artists surface in the course of Moody's rollicking but intricately woven novel, and real emotion eventually blossoms for most of Vanessa's staff at Means of Production, even herself. *The Diviners* is a cautionary tale about pointless ambition; a richly detailed look at the interlocking worlds of money, politics, addiction, sex, work, and family in modern America; and a masterpiece of comedy that will bring Rick Moody to a still higher level of appreciation.

For fans of Jenny Han and Morgan Matson, a witty, poignant novel about second chances, letting go, and the unbreakable bonds of friendship. Six months ago, Ashlyn Montiel died in a bike accident. Her best friend, Cloudy, is keeping it together, at least on the outside. Cloudy's insides are a different story: tangled, confused,

Access Free Open Road Summer Emery Lord

heartbroken. Kyle is falling apart, and everyone can tell. Ashlyn was his girlfriend, and when she died, a part of him went with her. Maybe the only part he cares about anymore. As the two people who loved Ashlyn best, Cloudy and Kyle should be able to lean on each other. But after a terrible mistake last year, they're barely speaking. So when Cloudy discovers that Ashlyn's organs were donated after her death and the Montiel family has been in touch with three of the recipients, she does something a little bit crazy and a lot out of character: she steals the letters and convinces Kyle to go on a winter break road trip with her, from Oregon to California to Arizona to Nevada. Maybe if they see the recipients—the people whose lives were saved by Ashlyn's death—the world will open up again. Or maybe it will be a huge mistake.
