Understanding Organizational Behavior represents the solid scholarly foundations on which the science of organizational behavior was built, the realities of contemporary life in organizations, and the challenges that constantly present themselves. Our overarching theme of change is accompanied by four supporting subthemes: globalization, diversity, technology, and ethics. Each theme presents its own challenges and presents demands on individuals to learn, grow, and adjust. This text presents the opportunity to learn concepts, ideas, and theories that help enhance the management of human behavior at work.

Help your students learn not only the concepts and theories that enhance the management of human behavior at work but also how to practice these skills with Nelson/Quick's ORGANIZATIONAL BEHAVIOR. The latest edition of this book clearly demonstrates how organizational behavior theories and research apply to companies today with engaging cases, meaningful exercises, and examples that include six new focus companies students will instantly recognize. The authors present foundational organizational behavior topics, such as motivation, leadership, teamwork, and communication. Students also examine emerging issues reshaping the field today, such as the theme of change. They study how change affects attitudes and behaviors in an organization as well as what new opportunities and experiences change presents. Students further explore growing themes of globalization, diversity, and ethics. The authors anchor the book's multifaceted approach in both classic research and leading-edge scholarship. Timely examples from all types of organizations throughout this edition reflect today's most current trends, including six new focus companies--NetFlix, Ford, Groupon, and more. Self-assessments and other interactive learning opportunities allow your students to grow and develop, both as individuals and as important contributors to an organization, as they progress throughout your course. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

instantly recognize. The authors present foundational organizational behavior topics, such as motivation, leadership, teamwork, and communication. Readers also examine emerging issues, such as the theme of change as well as globalization, diversity, and ethics. The authors anchor the book's multifaceted approach in both classic research and leading-edge scholarship. Timely examples from all types of organizations reflect today's most current trends. Self-assessments and other interactive learning opportunities encourage each reader to grow and develop--both as an individual and as an important contributor to an organization.

This revision of ORGANIZATIONAL BEHAVIOR includes a renewed emphasis on the text's multifaceted approach, which is reflected in a new subtitle: SCIENCE, THE REAL WORLD, AND YOU. "Science" refers to roots of the discipline and the way the book is anchored in research tradition--both classic research as well as leading-edge scholarship. "The Real World" reflects current trends in organizations and takes shape as examples from all types of organizations. "You" reflects the opportunities to grow and develop both as individuals and organizations. The book helps students learn not only the concepts and theories that enhance the management of human behavior at work, but also how to practice these skills. A wealth of proven features, cases, exercises, and examples--including six new focus companies--stimulate interest and discussion; demonstrate how theories and research apply; and prompt cognitive and skill-based learning. Established organizational behavior topics are discussed, including motivation, leadership, teamwork, and communication, as are emerging issues shaping the field. The exciting theme of change clearly demonstrates how attitudes and behaviors within an organization are affected by change and the new opportunities and experiences change presents. Supporting themes focus on globalization, diversity, and ethics.

Blends theory and practical examples of traditional organizational behaviour topics. This second edition text highlights the changing nature of managerial work and careers. An overview of six companies is used to illustrate and link key concepts throughout the text.

4LTR Press solutions give students the option to choose the format that best suits their learning preferences. Students can choose to use the traditional print text or they can explore the Online experience by using their digital device. These options are perfect for all students, as a digital experience is offered, in addition to the traditional print.
