Award-winning sommelier Chris Morrison believes that your wine decisions should be driven by your own sense of taste - and by the way you like to eat, drink and live. In This Is Not A Wine Guide he helps readers develop the confidence to choose, purchase, serve, share and ultimately even collect wine without feeling the need to rely on the 'old rules' involving notes, scores, jargon and reviews. Morrison answers the question all of us ponder when faced with choosing wine from a wine list or from the bottleshop shelf: "Where do I start? This Is Not A Wine Guide tackles the fundamentals and then moves from the bottle forwards: into the reasons you choose it, open it and drink it; with what company, under what circumstances, in what glasses - and with what food. Because this is a wine book for people who also love food. For Morrison, food and its taste and textures represent the narrative that can unlock wine - wine doesn't make sense without food". This Is Not A Wine Guide is packed with information and advice to help you get the most out of your wine experience, whether it's cracking a bottle for a barbecue, navigating a wine list in a restaurant, wondering what to serve with kimchi, or what to do when the cork crumbles.

PASS THE LEED GREEN ASSOCIATE EXAM WITH FLYING COLORS! The LEED Green Associate V4 Exam Complete Study Guide aims to provide deep insight into the principles of green building; and helps the reader to learn, rather than to memorize the essential information for the exam. Thus, this approach equips candidates to successfully pass the LEED Green Associate exam with flying colors in order to actively apply green building and LEED principles in real life.This book is the only resource a candidate needs, in order to successfully pass the exam. As LEED v4 is quite different in comparison to the former versions, the book was entirely re-written; thus, it was not updated from a previous edition. All of the chapters contain guidance on the aspects that require extensive attention, while the book points out the finer details to focus on for the exam purposes. It does not matter how much time passes after taking the exam, as learning the real reasons behind the green building and LEED principles through observation will help to consolidate this information concisely.Even though the LEED Green Associate exams are sometimes referred to as conceptual exams, in reality the exam goes well beyond that. Without diving into the LEED prerequisites and credits, a candidate cannot ever guarantee passing the test; as a result, the book covers the core concepts of each LEED credit category, and then evaluates the LEED prerequisites and credits to demonstrate how those green building concepts turn into real projects with LEED requirements.The book is also recommended for students, professionals, and anyone who has not chosen to take an LEED professional exam, but nonetheless retains a strong interest in LEED and green buildings.

Learn a broad range of techniques for dry flies, streamers, and wet flies by tying the modern flies that everyone is talking about. Author Tim Cammissa teaches you how to tie these simple but effective patterns and then how to take the techniques you've learned and use them for most of the other core patterns—old and new—that should be in your box. Includes information on the latest materials, tying tips from other tiers, and 16 patterns with recipes and complete step-by-step instructions.

A fascinating exploration of the profound loss of pleasure in our daily lives and the seven steps for restoring it. Pleasure. We know what it feels like and many of us spend our days trying to experience it. But can too much pleasure actually be bad for us? Yes, says Dr. Archibald Hart, clinical psychologist and expert in behavioral psychology. Backed by recent brain-imaging research, Dr. Hart shares that to some extent, our pursuit of extreme and overstimulating thrills hijacks our pleasure system and robs us of our ability to experience pleasure in simple things. We are literally being thrilled to death. In this insightful book, Dr. Hart explores the stark rise in a phenomenon known as anhedonia, an inability to experience pleasure or happiness. Previously linked only to serious emotional disorders, anhedonia is now seen as a contributing factor in depression (specifically nonsadness depression) and in the growing number of people who complain of profound boredom. This emotional numbness and loss of joy are results of the overuse of our brain's pleasure circuits. In Thrilled to Death, Dr. Hart explains the processes of the brain's pleasure center, the damaging trends of overindulgence and overstimulation, the signs and problems of anhedonia, and the seven important steps we must take to recover our wonderful joy in living.

Margaret Thatcher is one of the most significant political figures of the twentieth century—a Prime Minister whose impact on modern English history is comparable only to Winston Churchill's. Like them or not, her radical policies made Britain the country it is today. And like her or not, Margaret Thatcher's legacy remains a massive political force, responsible for laying the groundwork for New Labour, Tony Blair, and David Cameron, and for England's strong political allegiance to the United States throughout the Cold War. Now Robin Harris, for many years Mrs. Thatcher's speechwriter, close adviser, and the draftsman of both volumes of her autobiography, has written the definitive book about this indomitable English woman. In this international bestseller, he tells the compelling story of her life, from humble beginnings above her father's grocery store in Grantham, her early days as one of the first women in Westminster (she became known as "Thatcher Milk Snatcher" during her time in the Ministry of Education), and then on to her groundbreaking career as Prime Minister (by which time her reputation already demanded a more powerful epithet: "Iron Lady"). We follow Thatcher through hard-fought political battles and experience with her the tribulations of the English miners' strike and the Falklands War, of her sometimes troubled friendship with Ronald Reagan, and their shared staunch opposition to Communism. We learn of the political intrigue behind the scenes at Ten Downing Street. And how during one of the darkest hours of her premiership she refused to alter course and, adapting the words of an English play, declared to her enemies, inside and outside the Government, "You turn if you want to. The Lady's Not for Turning," summing up for admirers and detractors alike the defiance and consistency of Mrs. Thatcher's approach. Throughout Not for Turning we sense the passionate intellect which fuelled her ambitions, drove her into and out of one of the highest offices in the English-speaking world, and has established a unique political legacy that continues even after her death... Not for Turning is an unforgettable portrait of Britain's first female Prime Minister, written by one of her most trusted advisers, and a fitting tribute to an extraordinary politician and leader.

Fat and pregnant, I'm at the end of my rope with swollen ankles and exhaustion. Growing a little person inside of me is no small feat, and when that same little person decides it's time to be welcomed into the world, I'm suddenly catapulted into the beauty of motherhood. Join me in my birthing journey.You're in for one helluva ride. Not at Standalone- Must Read Vols 1-3 Prior - 25k Word NovellaSteamy Adult romance Warning: Contains Mature scenarios, and mass quantities of profanity. For Ages 18+

A Practical Guide to Designing for the Web aims to teach you techniques for designing your website using the principles of graphic design. Featuring five sections, each covering a core aspect of graphic design: Getting Started, Research, Typography, Colour, and Layout. Learn solid graphic design theory that you can simply apply to your designs, making the difference from a good design to a great one

Instagram's hippest grandma shares her thoughts on living and dressing adventurously in this humorous illustrated guide. Known for her tie-dye tops, shirts with sayings like "Bye Basic," and giant neon drop earrings, eighty-eight-year-old Baddie Winkle is one of the internet's hottest stars. The alter-ego of Helen van Winkle, Baddie began with an adventurous makeover. Putting on her great granddaughter's tie-dye Grateful Dead bears t-shirt, jean shorts, and socks patterned with pink marijuana leaves, Helen posted her first photo of Baddie in April 2014, with the help of her grandkids and great-grandkids. Since then, Baddie's colorful, youthful style, controversial photos, and snaps with celebrities like Miley Cyrus have earned her the devotion of more than two million Instagram fans and transformed her life. From appearing on MTV's Video Music Awards and in a Smirnoff commercial, to meeting celebrities and her numerous fans, to traveling the country, dropping in at frat parties, and making a music video, this irrepressibly charming Southern renegade demonstrates it's never too late to open and enjoy a new chapter in your life. Imbued with her energetic, infectious spirit and rebellious attitude, Baddiewinkle's Guide to Life is an inspiring handbook for living life adventurously. Baddie tells her life story, including the joys and heartbreak and the lessons she has learned, and shares her thoughts on a wide range of issues, including funky fashion, the internet and pop culture, being age appropriate, and being an octogenarian internet star. Illustrated with dozens of color photos, Baddiewinkle's Guide to Life also features Baddie's tips on how to be Baddie, her favorite outfits, and other special content sure to delight and inspire fans of all ages.

True heroes who will win your heart. Honor, duty, courage, passion . . . the men of the Navy SEALs are a special breed of hero, and in these stories by eighteen top romance authors the SEALs are celebrated not only as symbols of devoted service to their country but as the kind of man every woman wants to love. They'll rescue a damsel in distress and her lap dog, too. They'll battle hometown dramas and international bad guys. When it comes to giving away their hearts, they'll risk everything. All proceeds from sales of SEAL of My Dreams goes to the Veterans Research Corporation, a non-profit fundraiser for veterans' medical research. Among them, the authors of SEAL of My Dreams have won dozens of writing awards including multiple RITAs from Romance Writers of America. Their nearly 600 published novels have sold at least 25 million copies worldwide. The SEAL of My Dreams roster includes many of the best-known authors in modern romance fiction. In addition, many have strong family connections to the servicemen and women of our nation's military, and many specialize in novels featuring heroes and heroines from all branches of service. Visit the authors at sealofmydreams.com.
