family holiday in a weird, unnamed land, a moment's inattention becomes his undoing. Flipping the butt of his last cigarette off the balcony of the holiday apartment, it lands on the head of the elderly Reggie Lincoln, and burns him. Despite Brodzinski's liberal attitudes and good intentions, the local authorities treat his action as an assault. Soon the full weight of the courts and tribal custom is brought to bear. What follows is a journey through a fantastically distorted world, a country that is part Australia, part Iraq and entirely the heart of distinctively modern darkness.

enter the massive estate with their best friend and realtor Sunnie, they see a great financial investment. A fixer-upper with room for a gym and a sauna. A cavernous hall for swanky celebrity parties. A hideaway for seducing the ladies...in other words, a place to live large and dream big. A foxy she-devil out for revenge. But Sunnie senses all is not right with the house. Turns out it is already occupied by a supernatural vixen who resents the intruders and vows to use her shape-shifting powers to dispatch them -- not with violence but with an equally lethal weapon: sex. Morphing into each man's fantasy lover, she takes them one by one to heights of ecstasy designed to torment their souls. Only Sunnie, armed with an extrasensory gift and some very powerful prayers, can take on this devilishly gorgeous demon -- even if she has to pay the ultimate price.
