Ensuring Full Coverage of the New Syllabus

Ensure full coverage of the new syllabus with this comprehensive guide written by a highly experienced author, that explores all topics through inquiry, concepts, content and contexts and their interrelationships with each other. - Explore economics through the nine key concepts in the new course with our newly developed acronym for a deeper and more integrated understanding of the subject. - Includes new integrated subtopics of Economics of the environment and Economics of inequality and poverty which helps bring to light the global challenges facing the planet today and how these can be addressed using an Economics lens. - Apply new skills and knowledge to everyday life with examples and case studies. - Foster the attributes of the IB learner profile with explicit reference made throughout, as well as TOK links for every topic. - Prepare for the new assessment model with exam-style questions and review questions. - Avoid common mistakes and aim for the best grades with expert tips and hints.

The 2013 IB HL Economics syllabus change introduced Paper 3, an essentially calculations-based assessment. This development challenged teachers and students alike, as few Paper 3 practice resources have been available. This is furthermore an area of the syllabus where, as in Mathematics, practice is fundamentally important in developing the skills and confidence needed for success. Paul Hoang's latest publication therefore represents an invaluable resource in helping students to prepare for the examination challenges they face. For many candidates the mix of words, theory and numbers in Paper 3 questions can be overwhelming, if they have not developed easy familiarity throughout their course. With clear layout and content that beautifully mirrors IB examination questions, this resource is the one we have all been waiting for. I absolutely recommend it as a 'must have' for all those who are preparing for the HL Economics examination. IT is a core resource invaluable to students and teachers alike. Janet Barrow, IB Economics Teacher, OSC Teacher, IB Examiner, author of IB Business Management and TOK teacher resources 20160615
