This is one of my favorite books by William Diehl. It's characters are so real, so well developed that you fall right into the story from the beginning. Aaron Stampler is found standing over the beloved Archbishop Rushman holding the weapon that caused his death. Cushman is known for his love, compassion, and work with troubled youth.

William Diehl - Wikipedia

Far superior to any courtroom drama, "Primal Fear" employs the essential stream of suspense, but also tackles the psychological interior of criminal mind and motive. His style is blatant, sometimes crude; Diehl is not striving for poetic analogies or metaphors, but mostly dialogue, upbeat, fluid, and remarkably realistic.

A Chicago archbishop is savagely murdered, a knife-wielding young man swears that he is innocent, and Martin Vail, a brilliant renegade defense lawyer, battles to uncover the truth behind the murder. Reissue. (A new film, starring Richard Gere & Edward Norton) (Suspense)

Martin Vail, the brilliant "bad-boy" lawyer every prosecutor and politician love to hate, is defending Aaron Stamper, a man found holding a bloody butcher's knife near a murdered archbishop. Vail is certain to lose, but Vail uses his unorthodox ways to good advantage when choosing his legal team--a tight group of men and women who must uncover the extraordinary truth behind the archbishop's slaughter. They do, in a heart-stopping climax unparalleled for the surprise it springs on the reader...

After a sainted Chicago archbishop is brutally murdered in his rectory, altar boy Aaron Stamper is found hiding in a confessional, clutching a bloody knife and swearing he is innocent. Brilliant "bad-boy" lawyer Martin Vail eagerly seizes the opportunity to defend Stamper, the young human monster. But first he must uncover the horrifying truth behind the archbishop's slaughter.... Lawyer Martin Vail confronts a legal nightmare that he helped create when a chain of serial murders resurrects the demonic Aaron Stamper, the psychotic killer whom Vail had rescued from the electric chair

Attorney Martin Vail matches wits with psychotic killer Aaron Stamper in a deadly confrontation set against the backdrop of the hate-mongering world of the white supremacist movement

Eureka. It's what you say when you strike gold. It's also a town in California where the truth might be buried forever. In New York Times bestselling author William Diehl's thrilling, accomplished new novel, the seamy past of America's most glamorous state lies in this deceptively peaceful area, one hundred miles north of Los Angeles. It was the lawless place from which young, rugged Thomas Culhane escaped to fight World War I. Now it's a place where, two decades later, police detective Zeke Bannon investigates a death that seems a sad accident. Until you look a bit closer. The year is 1941. Verna Wilensky has been electrocuted in her bathtub, leaving a lower-middle-class life, no survivors, and a bank account packed with almost a hundred thousand dollars. Mysterious checks have consistently come to her for more than twenty years, most drawn from a bank in San Pietro, a town once known as Eureka. Eureka was a town that used to be a bootlegger's paradise and a gangster's dream. Now it is the rebuilt metropolis where Sheriff Thomas Culhane is launching a bid to be the golden state's next governor. But something just might threaten his ambitions. As Bannon digs deeper into Wilensky's demise, he unearths a decades-old secret that starts in a shootout, builds to a bloodbath, and could end up within the upper echelons of California's elite, forever changing the destiny of a state. Rich in historical detail, complex in its connection between past and present, and filled with the nonstop action that are the hallmarks of this modern master, Eureka is an epic achievement of storytelling and suspense—William Diehl's most extraordinary novel yet.

After years of imprisonment and enforced inactivity, special agent Christian Hatcher is summoned by Sloan, his former commander, for one last assignment—to rescue a general's son, long thought dead in Vietnam. Reissue.

In this last novel of Diehl, finished by a writing partner after the novelist's death in 2006, Nez Perce Indian and New York detective Micah Cody investigates a serial killer.

This thriller sweeps from Nazi-occupied Europe to the deadly opulence of Hong Kong's brothels, and from the steel-and-glass fortress that houses one of the world's mightiest financial empires to the depths of the criminal underworld.

WHAT IS THE STORY GRID? The Story Grid is a tool developed by editor Shawn Coyne to analyze stories and provide helpful editorial comments. It's like a CT Scan that takes a photo of the global story and tells the editor or writer what is working, what is not, and what must be done to make what works better and fix what's not. The Story Grid breaks down the component parts of stories to identify the problems. And finding the problems in a story is almost as difficult as the writing of the story itself (maybe even more difficult). The Story Grid is a tool with many applications: 1. It will tell a writer if a Story ?works? or ?doesn't work. 2. It pinpoints story problems but does not emotionally abuse the writer, revealing exactly where a Story (not the person creating the Story'the Story) has failed. 3. It will tell the writer the specific work necessary to fix that Story's problems. 4. It is a tool to re-envision and resuscitate a seemingly irredeemable pile of paper stuck in an attic drawer. 5. It is a tool that can inspire an original creation.
