assessing what customers want and need in order to build brand equity, to creating loyal long-term customers. For business executives everywhere, KOTLER ON MARKETING will become the outstanding work in the field. The secret of Kotler's success is in the readability, clarity, logic and precision of his prose, which derives from his vigorous scientific training in economics, mathematics and the behavioural sciences. Each point and chapter is plotted sequentially to build, block by block, on the strategic foundation and tactical superstructure of the book.

The forms, letters, and other tools included in Marketing Kit For Dummies, 3rd Edition enable readers to start a successful marketing program from the beginning. The expert tips and information presented in the book take some of the mystery out of marketing and explain, step-by-step, how to implement and execute a successful marketing strategy. Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.
