proposal template and budget sheet - An A-to-Z methodology to write your proposal and budget developed over 7 years of practice - In-depth explanations for each proposal section - Several examples of paragraph texts - 7 Writing techniques to make your project's case better - 26 Proposal-Specific writing tips

Proposal Writing is a daunting task: we have to follow strict guidelines and a process we aren't familiar with. On top of that, we need to present our project in the best possible light, all within a very tight deadline. Doing everything, and doing it perfectly, is possible - but it requires time: time to read, to understand, to plan and to write. Time, unfortunately, is the resource we lack the most, and we might not be able to build the necessary expertise via practice. This is where I come in: I put my time in this book, so you don't have to waste yours. This book is a collection of the best, tools, tricks and techniques developed in 7+ years of grant writing. Every single tool or concept has been field tested and refined via trial and error. Writing Proposals is divided in three sections

SECTION 1 is an A-to-Z guide on how to write a proposal. It provides a workflow, a sample proposal structure, and a downloadable proposal template and budget sheet. Each one of its chapters provides a detailed explanation of the different building blocks:

- First Steps of Proposal Writing
- Outline of the Technical Proposal
- Introduction - Context and Proposal Structure

to do to set themselves up for success. They know what really moves the needle in academic job searches, how to avoid the all-too-common mistakes that sink so many of their peers, and how to decide when to point their Ph.D. toward other, non-academic options. Karen Kelsky has made it her mission to help readers join the select few who get the most out of their Ph.D. As a former tenured professor and department head who oversaw numerous academic job searches, she knows from experience exactly what gets an academic applicant a job. And as the creator of the popular and widely respected advice site *The Professor is In*, she has helped countless Ph.D.'s turn themselves into stronger applicants and land their dream careers. Now, for the first time ever, Karen has poured all her best advice into a single handy guide that addresses the most important issues facing any Ph.D., including:

- When, where, and what to publish
- Writing a foolproof grant application
- Cultivating references and crafting the perfect CV
- Acing the job talk and campus interview
- Avoiding the adjunct trap
- Making the leap to nonacademic work, when the time is right

The Professor Is In addresses all of these issues, and many more.
