Rival Rice Cooker - Noriualaus.com

The Silvercrest Multi-Functional pressure cooker is the latest gadget to hit the ' middle of Lidl ' , launching in stores on Sunday 5 January.. Retailing at £59.99, this multi-cooker promises several cooking functions in one appliance: a pressure cooker, slow cooker, rice cooker and steamer.

“ Guides readers toward the road less consumptive, offering practical advice and moral support while making a convincing case that individual actions . . . do matter. ” —Elizabeth Royte, author, *Garbage Land* and *Bottlemania* Like many people, Beth Terry didn ’ t think an individual could have much impact on the environment. But while laid up after surgery, she read an article about the staggering amount of plastic polluting the oceans, and decided then and there to kick her plastic habit. In *Plastic-Free*, she shows you how you can too, providing personal anecdotes, stats about the environmental and health problems related to plastic, and individual solutions and tips on how to limit your plastic footprint. Presenting both beginner and advanced steps, Terry includes handy checklists and tables for easy reference, ways to get involved in larger community actions, and profiles of individuals—Plastic-Free Heroes—who have gone beyond personal solutions to create change on a larger scale. Fully updated for the paperback edition, *Plastic-Free* also includes sections on letting go of eco-guilt, strategies for coping with overwhelming problems, and ways to relate to other people who aren ’ t as far along on the plastic-free path. Both a practical guide and the story of a personal journey from helplessness to empowerment, *Plastic-Free* is a must-read for those concerned about the ongoing health and happiness of themselves, their children, and the planet.

Demystifying the revolutionary appliance one function at a time—now updated to include the latest generation of Instant Pots! Cooking in an opaque, sealed container with complicated buttons and lights requires a culinary leap of faith—or an expert guide like Daniel

Sharing her cost-cutting principles and tips, the creator of the Budget Bytes blog presents a vast array of easy and healthy recipes that are full of flavor but won't break the bank. Original. 40,000 first printing.

The debut cookbook by the creator of the wildly popular blog *Damn Delicious* proves that quick and easy doesn't have to mean boring. Blogger Chungah Rhee has attracted millions of devoted fans with recipes that are undeniable 'keepers'-each one so simple, so easy, and so flavor-packed, that you reach for them busy night after busy night. In *Damn Delicious*, she shares exclusive new recipes as well as her most beloved dishes, all designed to bring fun and excitement into everyday cooking. From five-ingredient Mini Deep Dish Pizzas to no-fuss Sheet Pan Steak & Veggies and 20-minute Spaghetti Carbonara, the recipes will help even the most inexperienced cooks spend less time in the kitchen and more time around the table. Packed with quickie breakfasts, 30-minute skillet sprints, and speedy takeout copycats, this cookbook is guaranteed to inspire readers to whip up fast, healthy, homemade meals that are truly 'damn delicious!'

Bento fever has recently swept across the West, fuelled not just by an interest in cute, decorative food, but by the desire for an economical, healthy approach to eating in these times of recession. A leading light in the popularization of bento has been Makiko Itoh, whose blog, *Just Bento*, boasts hundreds of thousands of subscribers, all of whom love her delicious recipes and practical bento-making tips. Now, for the first time, Itoh's expertise has been packaged in book form. The *Just Bento Cookbook* contains twenty-five attractive bento menus and more than 150 recipes, all of which have been specially created for this book and are divided into two main sections, Japanese and Not-so-Japanese. The Japanese section includes classic bento menus such as Salted Salmon Bento and Chicken Karaage Bento, while the Not-so-Japanese section shows how Western food can be adapted to the bento concept, with delicious menus such as Summer Vegetable Gratin Bento and Everyone Loves a Pie Bento. In addition to the recipes, Itoh includes sections on bento-making equipment, bento staples to make and stock, basic cooking techniques, and a glossary. A planning-chart section is included, showing readers how they might organize their weekly bento making. In a market full of bento books that emphasize the cute and the decorative, this book stands out for its emphasis on the health and economic benefits of the bento, and for the very practical guidelines on how to ensure that a daily bento lunch is something that can easily be incorporated into anyone's lifestyle. This is the perfect book for the bento beginner, but will also provide a wealth of new bento recipe ideas and tips for *Just Bento* aficionados.
