Intended to support the national initiative to strengthen learning in areas of science, technology, engineering, and mathematics, this book helps librarians who work with youth in school and public libraries to build better collections and more effectively use these collections through readers' advisory and programming. • Introduces more than 500 STEM resource suggestions for toddlers to young adults • Highlights more than 25 detailed library program or activity suggestions to be paired with STEM book titles • Provides resource suggestions for professional development • Contains bonus sections on STEM-related graphic novels, apps, and other media

This A-Z guide assists people--helpers--pastors, professional counselors, youth workers, and everyday believers--to easily access a full array of information to aid them in (formal and informal) counseling situations.

The TLA Film, Video and DVD Guide 2004 is the absolutely indispensable guide to worthwhile cinema. It includes over 10,000 entries on the best of film and video that a real film lover might actually want to see. Unlike some of the other mass market guides that tend to be clogged with unenlightening entries on even more unenlightening films, TLA focuses on independent, foreign as well as the best of Hollywood to bring the cineaste an opinionated guide that is both

fun to read and easy to use. The guide includes: * Reviews of more than 10,000 entries * Four detailed indexes--by star, director, country of origin, and theme. * More than 300 photos throughout * A listing of all the major film awards of the past quarter century, as well as TLA Bests and recommended films *A comprehensive selection of cinema from over 50 countries. From one of the finest names in video retailing and a growing rental chain comes the latest edition of one of the most respected film, video, and DVD guides. The TLA Film, Video and DVD Guide is perfect for anyone with an eclectic taste in cinema.

Unlike their American colleagues, British suppliers were extremely slow to release their country's superb libraries of classic films for movie fans to purchase on either VHS tapes or DVD discs. In 2004, little over 100 titles were available. But now there are around 700, with promises of many more to come. This book details some of the best. Over 400 movies in all are described in either minute detail or in summary form! The quality (or lack of quality) in the DVD transfer is fearlessly indicated. The author's emphasis is on movies made before 1970, especially those with popular stars such as Glynis Johns, Gracie Fields, George Formby, Margaret Lockwood, Arthur Askey, Anna Neagle, James Mason, Patricia Roc, Stewart Granger, Vivien Leigh, Laurence Olivier, Will Hay, Tommy Trinder, Alec Guinness, Michael Wilding, Peter Finch, Christopher Lee, Peter Sellers, David Niven, Kenneth More, Kay Kendall, John Gregson, etc.

A guide to 178 classic Hollywood movies from the 1920s and early 1930s, now available on DVD releases from both major and independent USA companies. These films feature both

stars like Mary Pickford, Douglas Fairbanks, Clara Bow, Lon Chaney, Louise Brooks, Charles Chaplin, Joan Crawford, Colleen Moore, Harold Lloyd, Gary Cooper, William Powell, Greta Garbo, Rudolph Valentino, Norma Shearer, Buster Keaton, Shirley Temple, Barbara Stanwyck, Ronald Colman, Lillian Gish, Marion Davies, and Wallace Beery, who are still top favorites with movie fans, as well as players like Laura La Plante, Charles Ray, Alice Terry, Pola Negri, Mary Miles Minter, Rod La Rocque, and Mabel Poulton who were also extraordinarily popular in their day. The book is illustrated with 105 well-chosen black-and-white photos from the author's private collection.

An updated annual includes four hundred new entries and provides a five-star rating system, cast and director indexes, lists of Academy Award winners, and reviews for more than eighteen thousand videos and DVDs. Original.
