This book provides a thorough discussion about fundamental questions regarding urban theories and modeling. It is a curated collection of contributions to a workshop held in Paris on October 12th and 13th 2017 at the Institute of Complex Systems by the team of ERC GeoDiverCity. There are several chapters conveying the answers given by single authors to problems of conceptualization and modeling and others in which scholars reply to their conception and question them. Even, the chapters transcribing keynote presentations were rewritten according to contributions from the respective discussions. The result is a complete "state of the art" of what is our knowledge about urban processes and their possible formalization.

I Ching was among "the five classics" edited by Confucius, and the philosopher is reputed to have wished for fifty more years of life to study it. The Book of Changes, as it is known in the Western world, dates back to before 1,000 B.C. and ranks among the most important works in the history of Chinese culture. The ancient text has provided inspiration to countless spiritual seekers of many persuasions. One of the few divination manuals to survive into modern times, I Ching is of enormous significance to the history of religions and philosophy. Its profound influence extends to the worlds of business, psychoanalysis, literature, and art. This volume is the standard English translation by the great Sinologist James Legge, prepared for the series Sacred Books of the East. It contains the basic text attributed to King Wan and his son, the Duke of Chou, Appendixes usually ascribed to Confucius, an informative Preface by Legge, and extensive footnotes.

Mother-to-be Mary Jo Wyse arrives in Cedar Cove on Christmas Eve, searching for her baby's father. David Rhodes had said he'd be in town. But he isn't. Which leaves Mary Jo stranded, pregnant and alone. And there's no room at the local inn... So Grace Harding brings Mary Jo home to her nearby ranch. She and her husband, Cliff, have a houseful of guests, but they offer her a room over their stable (currently sheltering the animals—including a donkey and a camel—for Cedar Cove's Nativity pageant!). When Mary Jo goes into labor that night, a young man named Mack McAfee, a paramedic, comes to her rescue, just as her brothers—the three Wyse men—show up in town. The people of Cedar Cove join them in celebrating the birth of baby Noel. But no one has more to celebrate than Mack. Because this Christmas brings him faith, hope and love...
