Writing an amazing college admission essay is easier than you think! So you're a high school senior given the task of writing a 650-word personal statement for your college application. Do you tell the story of your life, or a story from your life? Do you choose a single moment? If so, which one? The options seem endless. Lucky for you, they're not. College counselor Ethan Sawyer (aka The College Essay Guy) will show you that there are only four (really, four!) types of college admission essays. And all you have to do to figure out which type is best for you is answer two simple questions: 1. Have you experienced significant challenges in your life? 2. Do you know what you want to be or do in the future? With

"Barn Burning" is the story of Sarty Snopes, whose father, Abner, burns barns in a type of revenge against the wealthy. Sarty decides not to help his father get away with it anymore, and informs Major de Spain of what is about to happen; Major de Spain shoots Abner, and Sarty runs away. "Two Soldiers" is narrated by a young boy whose older brother, Pete, decides to go off to fight in WWII. The narrator follows him to Memphis on foot and by bus, but is sent home again since he cannot come along to the war.

also guide pupils and students towards the attainment of greater success in life. The book has been designed in such a way that it can be used for examination purposes and for other practical uses in the day-to-day life of whoever uses it faithfully. In writing this book on English Language, essay writing, I decided to move away from the traditional way of some authors flooding their English Language, essay writing books with so many sample essays based on my experiences as an English teacher some years back. Many pupils / students have the habit of memorizing written essays found in books and reproduce them during examinations, class exercises or when given project/home work when they see that the question being asked is similar to the answered one they came across. I hope the experts in the educational

sector will agree with me that this does not augur well for the proper development of the child because he/she would not have the opportunity to think and plan on his /her own before writing a script with originality (I stand to be corrected if I am mistaken). It is in line with this that I have given only single sample essays per essay topic treated with more suggested outlines/plans. Most people often fail to plan their lives and this usually have disastrous effects on them. Also in writing examination, most candidates fail to plan their essays before answering selected questions. As the old adage says, "If you fail to plan, you plan to fail." It is based on the above that in writing this book, I dedicated the first chapter to the basics of essay writing. Below is an excerpt of chapter one of the book. After high lighting on the basics of essay writing, I went ahead

to discuss what paragraphs are and how they can be used in our daily writings. This is followed by the use of punctuation marks. Here again, I have given a comprehensive write-up as to how punctuation marks can be used to enrich our written works. Other topics covered in the book are writing of narrative essays, descriptive essays, friendly letters, semi-formal letters, summary writing, argumentative essays, speeches and talks, report writing, articles for publication, expository essays and advertisement. After a comprehensive, logical and coherent treatment of each topic, I followed up with sample questions, outlines/plans and essays. These are only to serve as a guide to users of the book. I will like to take this opportunity to entreat teachers to encourage pupils /students whom they teach to learn how to write an

many of today's leading authors; as Auden wrote: "Kafka is important to us because his predicament is the predicament of modern man". Traveling salesman, Gregor Samsa, wakes to find himself transformed into a large, monstrous insect-like creature. The cause of Gregor's transformation is never revealed, and as he attempts to adjust to his new condition he becomes a burden to his parents and sister, who are repelled by the horrible, verminous creature Gregor has become. A harrowing, yet strangely comic, meditation on human feelings of inadequacy, guilt, and isolation, *The Metamorphosis* has taken its place as one of the most widely read and influential works of twentieth-century fiction.
