"One icy winter's evening in Budapest, a man runs straight into John Taylor as he walks home through the narrow streets. John falls over into the snow and looks up at the man's face. 'I felt very afraid. Because what I saw was me. My face looking down at me. My mouth saying sorry.' Who is the man, and how will John's life change?

In 2080, technology has gone too far for J.L. Cooper. He thinks he can avoid pop travel teleportation, until he stumbles onto a video of a traveler who turns to dust. Sparking a series of murders, attempts on his life, and threats to his brother, Cooper wants to pass off the evidence but knows he's being watched and can't trust anyone. And who would believe him? With help from the neurotic, genius "Creator" and a beautiful Southern charmer, Cooper faces his fears and pop teleports around the world to escape corporate killers and find a way to shut down Pop Travel or die trying. No problem.

Dadhichi Toth is one of Australia's foremost astrologers. In this title you can find out everything you want to know for your star sign about romance, love and friendship, work, health, luck and money.

Can a spirited beauty tame a Highland beast? Born into both affluence and adoration, Sabrina Cameron, the "princess" of Clan Cameron has never met a soul she couldn't charm—until she comes face to face with Morgan MacDonnell, the son of her father's lifelong enemy. As adults, they are thrown together

to end the bloody feud between their families. Morgan spirits the delicate rose of a girl away to his rugged castle, never suspecting that his own surrender will be the sweetest victory of all. Book 3 of 5 of the Brides of the Highlands Series (Can be read in any order) The Brides of the Highlands Series includes The Devil Wears Plaid, Heather and Velvet, A Whisper of Roses, Some Like It Wicked and Some Like It Wild "A Whisper of Roses will make you laugh and cry."—USA Today "Just one more fantastic example of Teresa Medeiros's storytelling ability. Her characters leap from the page to capture your imagination and your heart. Enthralling and unforgettable!"—Romantic Times "Medeiros casts a spell with her poignant writing. An outstanding reading adventure from cover to cover!"—Rendezvous "A superb storyteller. Medeiros can pull every last emotion from the reader with tear-inducing scenes and laugh-out-loud dialogue."—Booklist ENGLISH LANGUAGE EDITION Scottish romance, Highland romance, Clan romance, Bride romance

"An intriguing dark psychological thriller--truly brilliant!" --Lisa Jackson I have a gardener's inherent belief in the natural order of things. Soft-petaled flowers that go to seed. The resolute passage of the seasons. Swallows that fly thousands of miles to follow the eternal summer. Children who don't die before their parents. When Kate receives a phone call with news that Rosie Anderson is missing, she's stunned and disturbed. Rosie is eighteen, the same age as Kate's daughter, and a beautiful, quiet, and kind young woman. Though the locals are optimistic--girls like Rosie don't get into real trouble--Kate's sense of foreboding is confirmed when Rosie is found fatally beaten and stabbed. Who would kill the perfect daughter, from the perfect family? Yet the more Kate entwines herself with the Andersons--graceful mother Jo, renowned journalist father Neal, watchful younger sister Delphine--the more she is convinced that not everything is as it seems. Anonymous notes arrive, urging Kate to unravel the tangled threads of Rosie's life and death, though she has no idea where they will lead. Weaving flashbacks from Rosie's perspective into a tautly plotted narrative, *The Bones of You* is a gripping, haunting novel of sacrifices and lies, desperation and love. "Unusual and haunting." --Library Journal "Suspenseful and poignant." --Publishers Weekly "A compelling debut." --Woman and Home "A star in the making." --The Daily Mail

From the author of the #1 best seller "The Joy of PHP" comes another great beginner's guide for those seeking to learn jQuery. jQuery is a programming language you can use to create cool web applications. It's free, powerful, simple to reference in your web pages, and now easy to learn too. You can get started quickly, and you won't outgrow it later when you get really good at it. Learning jQuery is well worth it the time and effort you put into it. Frankly, it's just plain fun too. That's what inspired this book. Most programming books are dry and boring, and while you can't get away from all of that, you can inject some humor into the learning process to keep it light and fun. We use the example of a used car salesman's web site to give the learning some context. The Joy of PHP, is consistently the top-rated book in its category precisely because it made learning PHP fun. This book does the same for jQuery. jQuery is a fast, small, and feature-rich JavaScript library. (JavaScript 'library' means that it is full of JavaScript that you don't need to understand to be able to use-- in the same way that an automobile is a car parts 'library'. The parts are there and we can use them, so who cares how they work?) jQuery makes things like HTML manipulation, event handling, animation, and Ajax much simpler. jQuery even works across a multitude of browsers. With a combination of versatility and extensibility, jQuery has changed the way that millions of people write JavaScript, and this book can change how YOU code too! Book Contents Include: What is jQuery? Get the Source Code Getting Started with jQuery Introduction to HTML Introduction to CSS jQuery Selectors jQuery UI Widgets: Dramatic Page Enhancements Using jQuery for Form Validation jQuery AJAX jQuery Mobile jQuery Animation

This book is a comprehensive primer to both traditional and emerging E-Commerce technologies. Students with no prior technical knowledge will be able to grasp complex topics such as networking, Internet security, Web languages and other important subjects in a way that illustrates their use through case studies and practice by completing Web projects.
