[See You at Harry's](#), written by Jo Knowles, it's a book that will break your heart and put it back together again, with a little more light and a little more hope than there was before. The main character in the book is Fern. She is twelve-years-old and feel invisible. Her dad is always brainstorming new ways to make their family restaurant better.

[See You at Harry's - Summary](#)

We spent over a year meticulously crafting our first Harry's line. Our blades are made by German engineers with decades of experience honing high-grade steel. Our handles were designed to blend timeless simplicity and modern ergonomics. Our shaving cream comes from the same chemists who make creams for high-end brands. The result: a set of modern shaving products made with respect for the ...

She worries that her family is going to fall apart from lack of authentic interaction as a family. She was right. See You at Harry's is the story of the tragedy that almost destroys Fern and her family. The pain, anger and grief author Jo Knowles describes are very realistic - not sappy, white washed or cliché, but gut-wrenching and heartbreaking.

What I love about See You at Harry's Jo Knowles skillfully and sensitively tackles lots of "coming of age" issues in her novel: grief, loss, insecurity, and love. She shows Fern's emotions with simple yet vivid detail, and there were several passages where I had to sigh with admiration at the beauty of her writing.

Starting middle school brings all the usual challenges - until the unthinkable happens, and Fern and her family must find a way to heal. Twelve-year-old Fern feels invisible. It seems as though everyone in her family has better things to do than pay attention to her: Mom (when she's not meditating) helps Dad run the family restaurant; Sarah is taking a gap year after high school; and Holden pretends that Mom and Dad and everyone else doesn't know he's gay, even as he fends off bullies at school. Then there's Charlie: three years old, a "surprise" baby, the center of everyone's world. He's devoted to Fern, but he's annoying, too, always getting his way, always dirty, always commanding attention. If it wasn't for Ran, Fern's calm and positive best friend, there'd be nowhere to turn. Ran's mantra, "All will be well," is soothing in a way that nothing else seems to be. And when Ran says it, Fern can almost believe it's true. But then tragedy strikes- and Fern feels not only more alone than ever, but also responsible for the accident that has wrenched her family apart. All will not be well. Or at least all will never be the same.

Tells, from four points of view, the ramifications of a pregnancy resulting from a "one-time thing" between Ellie, who feels loved when boys touch her, and Josh, an eager virgin with a troubled home life.

If home is where the heart is, what would happen if you lost it? Compassion and humor infuse the story of a family caught in financial crisis and a girl struggling to form her own identity. It's the first day of summer and Rachel's thirteenth birthday. She can't wait to head to the lake with her best friend, Micah. But as summer unfolds, every day seems to get more complicated. Her "fun" new job taking care of the neighbors' farm animals quickly becomes a challenge, whether she's being pecked by chickens or having to dodge a charging pig at feeding time. At home, her parents are more worried about money than usual, and their arguments over bills intensify. Fortunately, Rachel can count on Micah to help her cope with all the stress. But Micah seems to want their relationship to go beyond friendship, and though Rachel almost wishes for that, too, she can't force herself to feel "that way" about him. In fact, she isn't sure she can feel that way about any boy - or what that means. With all the heart of her award-winning novel See You At Harry's, Jo Knowles brings us the story of a girl who must discover where her heart is and what that means for her future.

After fathering a baby, a teenager moves in with his karate-loving uncle and tries to come to terms with his guilt - and find a way to forgive. This isn't how Josh expected to spend senior year. He thought he'd be hanging out with his best friends, Dave and Caleb, driving around, partying, just like always. But here he is, miles from home - new school, new life, living with his Jackie-Chan-obsessed uncle, Larry, and trying to forget. But Josh can't forget. So many things bring back memories of last year and the night that changed everything. Every day the pain, the shame, and the just not knowing are never far from his thoughts. Why is he such a loser? How could he have done what he did? He finds some moments of peace when he practices karate with Stella, the girl upstairs and his one real friend. As they move together through the katas, Josh feels connected in a way he has never felt before. He wonders if they could be more than friends, but Stella's jealous boyfriend will make sure that doesn't happen. And maybe it doesn't matter. If Stella knew the truth, would she still think he was a True Karate Man? Readers first met Josh in Jumping Off Swings which told the story of four high school students and how one pregnancy changed all of their lives. In this companion book, they follow Josh as he tries to come to terms with what happened, and find a way to forgive.

A collection of interrelated stories follow nine teens and one teacher through a seemingly ordinary day, with uncertainties, traumas, heartbreak, and revenge.

In a return to middle-grade fiction, master of perspectives Jo Knowles depicts a younger sibling struggling to maintain his everyday life when his older sister is in crisis. Noah is just trying to make it through seventh grade. The girls are confusing, the homework is boring, and even his friends are starting to bug him. Not to mention that his older sister, Emma, has been acting pretty strange, even though Noah thought she'd been doing better ever since the Thing They Don't Talk About. The only place he really feels at peace is in art class, with a block of clay in his

hands. As it becomes clear through Emma's ever-stricter food rules and regulations that she's not really doing better at all, the normal seventh-grade year Noah was hoping for begins to seem pretty unattainable. In an affecting and realistic novel with bright spots of humor, Jo Knowles captures the complexities of navigating middle school while feeling helpless in the face of a family crisis.

Twelve-year-old Fern feels invisible in her family, where grumpy eighteen-year-old Sarah is working at the family restaurant, fourteen-year-old Holden is struggling with school bullies and his emerging homosexuality, and adorable, three-year-old Charlie is always the center of attention, and when tragedy strikes, the fragile bond holding the family together is stretched almost to the breaking point.

An unflinching story of a troubled friendship -- and one girl's struggle to come to terms with secrets and shame and find her own power to heal (age 14 and up). Leah Greene is dead. For Laine, knowing what really happened and the awful feeling that she is, in some way, responsible set her on a journey of painful self-discovery. Yes, she wished for this. She hated Leah that much. Hated her for all the times in the closet, when Leah made her do those things. They were just practicing, Leah said. But why did Leah choose her? Was she special, or just easy to control? And why didn't Laine make it stop sooner? In the aftermath of the tragedy, Laine is left to explore the devastating lessons Leah taught her, find some meaning in them, and decide whether she can forgive Leah and, ultimately, herself.

Bean (née Pearl) and Henry, misfits and best friends, have the strangest mothers in town. Henry's mom Sally never leaves the house. Bean's mom Lexie, if she is home, is likely nursing a hangover or venting to her friend Claire about Bean's beloved grandfather Gus, the third member of their sunny household. Gus's death unleashes a host of family secrets that brings them all together. And they threaten to change everything—including Bean's relationship with Henry, her first friend, and who also might turn out to be her first love.

The instant New York Times bestseller from the author of the Newbery Medal winner *When You Reach Me*: a story about spies, games, and friendship. The first day Georges (the S is silent) moves into a new Brooklyn apartment, he sees a sign taped to a door in the basement: SPY CLUB MEETING TODAY! That's how he meets his twelve-year-old neighbor Safer. He and Georges quickly become allies—and fellow spies. Their assignment? Tracking the mysterious Mr. X, who lives in the apartment upstairs. But as Safer's requests become more and more demanding, Georges starts to wonder: how far is too far to go for your only friend? *Will touch the hearts of kids and adults alike.* NPR Winner of the Guardian Prize for Children's Fiction Named a Best Book of the Year by The New York Times, The Wall Street Journal, and more!
