Gautam Chakravarty explores representations of the event which has become known in the British imagination as the 'Indian Mutiny' of 1857 in British popular fiction and historiography. Drawing on a wide range of primary sources including diaries, autobiographies and state papers, Chakravarty shows how narratives of the rebellion were inflected by the concerns of colonial policy and by the demands of imperial self-image. He goes on to discuss the wider context of British involvement in India from 1765 to the 1940s, and engages with constitutional debates, administrative measures, and the early

nineteenth-century Anglo-Indian novel. Chakravarty approaches the mutiny from the perspectives of postcolonial theory as well as from historical and literary perspectives to show the extent to which the insurrection took hold of the popular imagination in both Britain and India. The book has a broad interdisciplinary appeal and will be of interest to scholars of English literature, British imperial history, modern Indian history and cultural studies.

Count Basie was one of America's pre-eminent and influential jazz pianists, bandleaders, and composers, known for such classics as "Jumpin' at the Woodside," "Goin' to Chicago Blues," "Sent for You Yesterday and Here You Come Today," and "One O'Clock Jump." In *Good Morning Blues*, Basie recounts his life story to Albert Murray, from his childhood years playing ragtime with his own pickup band at dances and pig roasts, to his years in New York City in search of opportunity, to rollicking anecdotes of Basie's encounters with Fats Waller, Frank Sinatra, Fred Astaire, Sammy Davis Jr., Quincy Jones, Billie Holliday, and Tony Bennett. In this classic of jazz autobiography that was ten years in the making, Albert Murray brings the voice of Count Basie to the printed page in what is both testimony and tribute to an incredibly rich life.

undoubtedly winds up getting hurt. Not my dick. My dick is good. The women I take home know exactly what they're getting from me—sex. Nothing more. At least, that's what's supposed to happen. The sweet brunette from Kentucky I set my sights on tonight shouldn't have been any different. I had her right where I wanted her. Where I needed her. But when my past comes walking into McGill's pub, the woman in my arms decides to take things to a whole new level, putting me into a situation I never saw coming. My heart is about to get f\*\*ked. My dick can sit this one out. \*\*\* Warning: This book is recommended for readers over the age of 18 due to strong language and explicit sexual content.

The darkness within... Gavin Crest has always pushed himself to the limit. After twenty-three years as a Marine Master Sergeant, he built his security agency from the ground up. He also has a predilection for the darker side of sex. He's done it all--except the one woman he can't have, an innocent who deserves more than a man whose soul is tainted with darkness. Becomes his only ray of sunshine... Jessie Miller has worked for Gavin Crest for years--and loved him nearly that long. She offered herself to him, body and soul. When he refused, she walked away, head held high and vowing to cut him from her heart. So why is Gavin on her doorstep, insisting that she trust him with her
