After getting hung up by a bull, he wonders if this is really the life he wants. Restless and rebellious, he bolts...but there's a certain cowgirl he can't forget. When a battle-scarred Dirk returns to his Montana ranch he's determined to hang on at any cost. Janice has come back home to lick her own wounds. Tough, taciturn...And a fool for letting her go... Wyoming rancher Quinn McKay was bidding his time until his levelheaded wife came to her senses and called a halt to this trial separation-never believing their marital rough patch would drag on for a coon's age. Libby McKay knew when she married the gruff, laid-back cowboy that he wasn't prone to blathering on about his feelings. But three months have passed and her stubborn-as-a-mule husband is still living by himself in the horse trailer. It seems he'd rather hold onto his pride than hold onto her. When Quinn realizes Libby is determined to move on if he doesn't change, he offers her one weekend of uninterrupted sexual decadence to rekindle their love life and to hash out their differences. Reigniting the passion is easy. The hard part comes after the sheets have cooled and they find out if what remains is strong enough to survive past mistakes.. \*\*Although this book is part of the Rough Riders series, it can be read as a STANDALONE!

Chasin' Eight: Rough Riders Book 11

This work features interviews with 51 leading ladies who starred in B-westerns, A-westerns, and television westerns. Some were well-known and others were not, but they all have fascinating stories to tell and they talk candidly about their careers and the many difficulties that went along with their jobs. Back then, conditions were often severe, locations were often harsh, and pay was often minimal. The actresses were sometimes the only females on location and they had to provide their own wardrobe and do their own make-up, as well as discourage the advances of over-affectionate co-stars. Despite these difficulties, most of the women interviewed for this agree that they had fun. Claudia Barrett, Virginia Carroll, Francis Dee, Lisa Gaye, Marie Harmon, Kathleen Hughes, Linda Johnson, Ruta Lee, Colleen Miller, Gigi Perreau, Ann Rutherford, Ruth Terry, and June Vincent are among the 51 actresses interviewed.

Compiles tested road and mountain bicycling advice on such topics as training, racing, health and fitness, equipment, nutrition, safety, and bike maintenance, and features checklists and a training plan for reaching one hundred miles.
