THERE IS A METHOD TO HIS MADNESS He chooses his tools with precision. Stalks his victims with cold efficiency. Plans his attack using mathematical logic. And now he is ready to play... THERE ARE RULES TO HIS GAME When the killer's first letter arrives at the station, NYPD profiler Lee Campbell suspects the writer is daring him to match wits with a dangerous--and brilliant--criminal mind. But once this "Alleyway Strangler" starts leaving specially targeted messages with each surgically carved corpse, Campbell realizes it's not just personal. It's perfectly calculated--to destroy him... Praise for the riveting thrillers of C. E. Lawrence "Criminally compelling...Lawrence nails you to your seat."--Gayle Lynds "Dark and atmospheric...unnerving."--Steven James "Startlingly suspenseful...an extraordinary page-turner."--Cody Mcfadyen "An intense psychological ride." --J. T. Ellison

Everyone Has What He Wants The killer picks her up in a Manhattan night club. Another trendy victim of the latest downtown scene. Young. Fresh. Healthy. Perfect. The police find her body in a Bronx park. Pale as a ghost. Peaceful in death. Her life has been drained away. Slowly. Methodically. Brilliantly. . . No One Survives What He Takes NYPD profiler Lee Campbell has seen the gruesome handiwork of the most deranged criminal minds. But this is something new. Something unbelievably twisted. A blood-obsessed lunatic who chooses his victims with deadly, loving care--and forces Campbell to confront the demons in his own life. No matter who wins this game, there will be blood. . . Praise for C. E. Lawrence and *Silent Screams* "Pulse-racing, first-rate. . .a wild ride down a dark road."--John Lutz "Lawrence delivers finely honed suspense with unique twists."--Katherine Ramsland "A dark, intriguing thriller."--Publishers Weekly "Lawrence nails you to your seat."--Gayle Lynds

To Catch A Twisted Killer At first, they look like suicides. Two bodies within a week--one found floating in New York's East River, another electrocuted in the bathtub. But forensics show that the victims were drugged, then killed. As the death toll grows, so does the brutality of the murders--and the killer dubbed the Flesh Collector continues to prey. Put Yourself In His Path NYPD profiler Lee Campbell joins the frantic pursuit of a murderous madman who delights in taunting police with gruesome messages. Somewhere in the killer's terrifying handiwork lie the clues to his twisted psyche. But the case is growing disturbingly personal. Getting close enough to stop the monster means getting close enough--to die. . . Praise for C. E. Lawrence and Silent Screams "Pulse-racing, first-rate. . .a wild ride down a dark road."--John Lutz "Lawrence delivers finely honed suspense with unique twists."--Katherine Ramsland "A dark, intriguing thriller."--Publishers Weekly

A Deranged Killer's Twisted Urges In the streets of New York City, the Slasher chooses his victim--and makes his move. As he wraps his fingers around the girl's pretty throat, his power increases. As he carves into her skin, his words become flesh. As he arranges her lifeless body in a loving tableau, his fantasies demand new, more violent sacrifices. . . A Profiler's Cunning Plan At first, NYPD detectives suspect a jealous boyfriend. But criminal profiler Lee Campbell senses something darker, even ritualistic, about the murder. More chilling, he's convinced he's witnessing the genesis of a full-blown serial killer. But time is running out. A new victim has been chosen. Campbell must search the most terrifying recesses of the human mind--and his own past--before the screaming starts again. . . "Pulse-racing, compelling, first rate. Lawrence knows how to build and hold suspense with the best of them. Once you get into this one, you can't get out. A wild ride down a dark road." --John Lutz, New York Times bestselling author of Urge to Kill "C. E. Lawrence has achieved a rare level of authenticity, not only in character development but also in the realistic use of behavioral science. If you want to read a serial-killer thriller that's solidly based on frightening reality, this is the one." --Louis B Schlesinger, Ph.D., professor of forensic psychology, John Jay College of Criminal Justice "C. E. Lawrence delivers finely honed suspense, with unique twists, and accurately captures the logic and intuition of a profiler under pressure." --Katherine Ramsland, professor of forensic psychology, De Sales University, and author of The Devil's Dozen "Criminally compelling, Silent Screams by C.E. Lawrence nails you to your seat with a fascinating NYPD profiler who's hurled into the case of his lifetime. From the Bronx to Manhattan, Catholic churches to university classrooms, this journey into violence and the soul is unforgettable." --- Gayle Lynds, New York Times bestselling author of The Book of Spies and The Last Spymaster "Silent Screams is a wickedly brilliant, carefully wrought thriller where the roles of hunter and hunted are skillfully blurred. Team up with a virtuoso profiler and a street-wise Bronx detective as they are thrown into an escalating torrent of murder that threatens to sweep them away. It's ride that neither they, or you, will soon forget." --Gregg McCrary, author of The Unknown Darkness: Profiling the Predators Among Us "By setting the horror of fictional killings against the background of 9/11, C.E. Lawrence constantly reminds the reader that life is infinitely stranger than anything which the mind of man could invent. The deviant perpetrator of grisly murders is described as someone who has a sophisticated knowledge of forensic investigations. The same can be said of the author. Silent Screams beckons C.E. Lawrence to become a repeat offender in this genre." --Marina Stajic, Ph.D., President of American Board of Forensic Toxicology

The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this "vital, necessary, and beautiful book" (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and "allows us to understand racism as a practice not restricted to 'bad people' (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

Reviews the circumstances surrounding the Challenger accident to establish the probable cause or causes of the accident. Develops recommendations for corrective or other action based upon the Commission's findings and determinations. Color photos, charts and tables.

When the dead body of a young woman is found in a Bronx park, drained of blood, NYPD profiler Lee Campbell is forced to confront his own demons in order to bring a blood-obsessed killer to justice. Original.

Holmes and Watson find themselves caught up in a complex chess board of a problem, involving a clandestine love affair and the disappearance of a priceless sapphire. Professor James Moriarty is back to tease and torment, leading the duo on a chase through the dark and dangerous back streets of London and beyond.

HE CALLS HIMSELF "CARVER" He likes killing. But he knows he must be patient, like an actor preparing for a role. He must cast the part of the victim. Stage the scene of the crime. Find the motivation to kill. Then, with blade in hand, he must make it real. So real, it hurts... DEATH WEARS A MASK NYPD profiler Lee Campbell arrives to find the victim lying in the lobby of her building. In a pool of blood. Wearing a white mask. When he learns the girl was an actress, he follows the trail to an off-Broadway theater where she was rehearsing for a play. But Campbell suspects the killer was rehearsing, too--for another murder--because one of the victim's co-stars has just received a warning: "You're next." Praise for the

When a different kind of justice is needed---swift, effective, and personal---a new type of avenger must take action. VENGEANCE features new stories by bestselling crime writers including Lee Child, Michael Connelly, Dennis Lehane, and Karin Slaughter, as well as some of today's brightest rising talents. The heroes in these stories include a cop who's seen too much, a woman who has been pushed too far, or just an ordinary person doing what the law will not. Some call them vigilantes, others claim they are just another brand of criminal. Edited and with an introduction by Lee Child, these stories reveal the shocking consequences when men and women take the law into their own hands.
