Sogang Workbook 1A CD. I ordered a Sogang workbook via Amazon through a Korean retailer, and the CD that it came with is cracked. I tried to play the audio in hope that it would still work, but it does not. The first few tracks will play but are very much distorted. I tried contacting the seller, and I am unable to return it.

This workbook is designed to be used in conjunction with the TMIK Level 3 lessons, which are available at TalkToMeInKorean.com, free of charge. Developed by a certified teacher to help you review and retain what you've learned in the TMIK lessons, this workbook contains six main categories of review (vocabulary review, writing, listening comprehension, reading comprehension, fill in the chart, dictation) and many different types of exercises (matching, fill in the blank, multiple choice, dictation, draw a picture, translation, short answer and more).

My Korean 2, 2nd Edition is a follow-up to the first volume of My Korean which introduces learners to the Korean alphabet and some everyday situations to help them acquire 'survival' Korean. This book consolidates and extends the work begun in the first volume by helping learners continue to develop their ability to communicate in routine social situations. Key features include (1) authentic spoken Korean language examples; (2) authentic styles of speech appropriate to each situation; (3) situation dialogues presented in two modes: colour comics and text-only mode; (4) grammar explanations in plain English; (5) many types of exercises; and (6) extra learning materials available online <http://talking2koreans.com>).

Everything needed to learn to read, write, speak, and understand the essential and most useful words in the Korean language is in this handy set of flash cards—including many hundreds of phrases and sentences using them. The cards in this volume are a great way to learn Korean and contain the most common words and expressions used in daily Korean communication—concrete nouns as well as verbs and adjectives that form the core Korean vocabulary. These are grouped thematically to enable easy memorization and retention. A sample sentence is given to illustrate the use of the primary word on each card which is often a well-known Korean saying or an idiom. Key features of Korean Flash Cards include: 200 flash cards Over 1,000 Korean words and sentences All of the most commonly used words Downloadable native-speaker audio recordings Sample sentences in Korean A 32-page booklet with sorting indexes and practice tips The FRONT of each card contains: Main vocabulary word Four related words and phrases to help you use it. The BACK of each card contains: Main word Related words' English meanings Korean script (hangul) Romanizations. A sample sentence in Korean with romanization and English translation.

The revised second edition of Basic Korean: A Grammar and Workbook is an accessible reference grammar and workbook in one volume. The text can be used in conjunction with any primary textbook, both as a practice book to reinforce learning and as a reference guide to the basics of Korean grammar. This book is comprised of 26 units covering key aspects of Korean grammar students would expect to encounter in their first year learning the language. Grammatical descriptions are followed by examples and exercises which allow students to reinforce and consolidate their learning. This new edition has been updated and enhanced to include more varied exercises and contemporary vocabulary and dialogues. Clearly presented and user-friendly, Basic Korean provides readers with the essential tools to express themselves in a wide variety of situations, making it an ideal reference grammar and practice resource for both beginners and students with some knowledge of the language.
