is ideal for use alongside the Recorder from the Beginning duets books.

(Music Sales America). This recorder course by John Pitts is written for 7-11 year olds no previous knowledge of music or recorders is necessary. It is carefully graded with clear explanations at every stage, encouraging children to develop musical skills as well as recorder techniques. The teacher's books include simple piano accompaniments, guitar chord symbols and performance suggestions for classroom percussion. The tune books provide extra solo and duet material to supplement the instruction in each book ideal for children who need more practice and for fast learners who need extra material to hold their interest.

Blessed Padre Pio, humble peasant and world-famous stigmatist, spoke simple words of Christian encouragement and inspiration to all who approached him seeking counsel. This biographical sketch and collection of memorable sayings is a compact and accessible introduction to the life and message of one of the great religious figures of the 20th century.

how to take forensic photography; how to collect, track, and document physical evidence appropriately; and treatment of and concerns surrounding special situations (e.g., gun shot wounds, stab wounds, suicides/accidents). A new chapter about patient and family education (Chapter 3) stresses the growing importance of providing the patient and family with the information they need as they continue through the healing process. This chapter helps emergency personnel identify learning needs, assess the learner, establish learning goals, select and use appropriate teaching methods, evaluate the effectiveness, and document. Examples of discharge instructions for common ailments (e.g., nosebleed, wound care/burn care, sore throat/cold) are also included. New chapter on basic legal issues for emergency nurses (Chapter
