The Style Manual is the product of many years of public printing experience, and its rules are based on principles of good usage and custom in the printing trade. Editors and writers whose disciplines have taught them aspects of style different from rules followed in this Manual will appreciate the difficulty of establishing a single standard.

A style guide, or style manual, is a set of standards for the writing and design of documents, either for general use or for a specific publication, organization or field. The implementation of a style guide provides uniformity in style and formatting within a document and across multiple documents. A set of standards for a specific organization is often known as "house style". Style guides are common for general and specialized use, for the general reading and writing audience, and for students
