Introduction: This book Sweet Fury, Overcoming The Trials, is based on my real life events. I'm not sure why I had such horrible trials. I know I made lots of mistakes. I had lots of insecurities and no self worth. I struggled for years to write this book to tell some incidents in my life because of the humility and shame. I know sometimes we invite spirits to come into our lives that we are not aware of. Some are genetic, some are addictions, perversion, gambling, witchcraft, anger, lying, tormenting, accusation and accusers, blame, murder and mental illness to name a few. Satan knows who to send to destroy your walk with God.. He tempts us when were at our weakest time. Abuse can bring stress and other health related sickness. I hope in publishing this book that someone else facing similar trials, will know their is hope through God.

I'm a cold-blooded killer. Raised that way by a man named Ryyu after I was found unconscious on his doorstep when I was ten years old. I have no recollection of my former past, only that Ryyu took me in, raised me like a daughter, and trained me to become what I am today: a silent and deadly predator. Behind each seductive smile is a calculated plan on how I'm going to kill my next victim. Deadly with a gun and even deadlier with a blade, I spared no one. Except one man... A man who made me question everything I'd ever been told. Whose past was as mysterious as mine, and made me feel things I shouldn't. Grady Tanner.

Sixteen-year-old Felicia Murphy has learned the pitfalls of letting the snakes in her head control her life, and she has no intention of letting them interfere in her future. She knows it!s not her duty to dish out vengeance, but, oh, the temptation! Battling near-constant headaches bites, but with Ryder by her side, she!s able to keep the Fury at bay. She doesn!t care that Meg, her biological-mother-from-hell, has escaped Mercy!s prison and will be playing dirty to get Felicia on her side. What she does care about is having a perfect night at the prom and successfully debuting the new mentor room for the troubled kids in town. She refuses to play into Meg!s sick, twisted games. Lines become blurred when Felicia!s best friend is brutalized. Felicia knows she could have prevented the pain if she had been willing to wield her one secret weapon. What once was black and white now becomes soiled with shades of gray. Will this self-discovery encourage her to embrace her craving for vengeance? And if so, will Ryder be able to accept her for who she has become?

Vengeance or Forgiveness? What would you choose? Being a teenager has its ups and downs. Ups? Hot boys, the mall, best friends, dreams of an amazing future. So much potential. Downs? Hot boys, parental drama, frenemies, emotional crazines, snakes emerging from your head when angry🌀 Yeah, I was surprised, too. How am I supposed to stay on my carefully planned path when my true biological heritage presents its ugly head!ahem, heads. And when the messengers of my so-called destiny happen to be two of the most incredibly hot and irritating males on the planet, I!m left fantasizing about my previously boring life. Am I supposed to believe that my duty is to seek vengeance? Or to grant mercy to the offender? And how on earth am I qualified to make these decisions? I!m bound to make mistakes along the way, but keep your fingers crossed that I don!t inadvertently send the world to Tartarus in a hand basket.

Introduction:This book Sweet Fury is based on real life events. I struggled for years to write this book to tell some incidents in my life because of the humility and shame. There is so much more not told but God knows the tears I cried alone in my pillow. God has forgiven my past. I was always peculiar and different for Gods purpose. The five fold ministry gifts of the spirit. One is called discernment. Some people in the world would say I have peoples number. The only people I let get away with things was people I gave my heart too or was a underdog. I always want to pray or help people. I didn't have much self worth growing up. It was a struggle and I was taught to fight my way in the streets of Detroit. I am bold in the Lord, but yet God's saw me as humble. God had a plan for my life. People judge people but God sees their heart. I was hesitant about writing this book because people will try to use it to destroy my walk with God, but I realize that people can't spare me from the hell to come if I don't obey God. People will talk about me anyways and lie on me, so I might as well let them talk about me for telling the truth. Amen. So if this book can help someone else, it will be worth all the humiliation and shame. In all that I chose and all that I faced in my life people need to know that God, will hear your cries and rescue you too. He shows favor to the obedient. What you speak is who you are, what you is your choice. Just remember with God nothing is impossible and no barriers are to hard to overcome. He is a forgiving and merciful God. This book has some adult content in it because it's part of falling away. The book has a message of hope to people in similar situations to overcome. So many spirits of generational curses, anger and fears. The tormenting spirits, insecurities and no positive Godly influences can torment peoples lives. All deliverance needed from God to start new. Remember there will still be trials, but you don't have to face them alone. Let God help your and you will see you have nothing to lose but everything to gain. I almost lost my mind in the process of the pain and suffering. I came to a point I begged God to take me home. But God had a plan for my life and came to my rescue. God bless all.
