An unmanned alien ship created a space elevator anchored in Darwin Australia. People quickly developed climbers to utilize it and build large space stations. A few years later a mysterious disease killed much of Earth's population, and left others degenerated to subhuman intelligence. Only those near the elevator (in Darwin or in space) were safe.

The Darwin Elevator depicts a terrifying world, suspends it from a delicate thread, and forces you to read with held breath as you anticipate the inevitable fall.” —Hugh Howey, New York Times bestselling author of Wool “Hough writes with irresistible energy and gritty realism.

Part two of a thrilling action-adventure sci-fi duology featuring indomitable characters, incredible worlds, and plenty of rip-roaring action and thrills! Out of the frying pan and into the fire, Captains Skyler Luiken and Gloria Tsandi (and their respective crews) have smashed through the deadly Swarm Blockade, but now find themselves scattered around the planet Carthage and the space stations that she holds in her orbit. Their mission is now twofold: destroy the military compounds of the nefarious alien overlords and find a way back home to Earth. Standing in their way are a race of horrifying aliens aided by incredible weapons and technology. Low on supplies and with intermittent communication, the surviving humans must rely on all of their cunning, strength, and plain old good luck to turn the tables and overcome their foes.

"Includes the complete bonus novella The Dire Earth, a prequel to the bestselling sci-fi adventure The Darwin Elevator."

The Plague Forge delivers an unbeatable combination of knockout action and kick-ass characters as the secrets to the ultimate alien mystery from The Darwin Elevator and The Exodus Towers are about to be unraveled. The hunt is on for the mysterious keys left by the alien Builders. While Skyler’s team of immune scavengers scatters around the disease-ravaged globe in search of the artifacts, Skyler himself finds much more than he expected in the African desert, where he stumbles upon surprising Builder relics—and thousands of bloodthirsty subhumans. From the slums and fortresses of Darwin to the jungles of Brazil and beyond, Skyler and company are in for a wild ride, jam-packed with daunting challenges, run-and-gun adventure, and unexpected betrayals—all in a race against time to finally answer the great questions that have plagued humanity for decades: Who are the Builders, and what do they want with Earth? Praise for The Darwin Elevator “A hell of a fun book.”—James S. A. Corey, New York Times bestselling author of Abaddon’s Gate “[Jason M.] Hough’s first novel combines the rapid-fire action and memorable characters associated with Joss Whedon’s short-lived Firefly TV series with the accessibility and scientific acumen of [James S. A.] Corey’s ‘Expanse’ series.”—Library Journal (starred review) “The best part about alien stories is their mystery, and Jason Hough understands that like no other. Full of compelling characters and thick with tension, The Darwin Elevator delivers both despair and hope along with a gigantic dose of wonder. It’s a brilliant debut, and Hough can take my money whenever he writes anything from now on.”—Kevin Hearne, New York Times bestselling author of The Iron Druid Chronicles “Newcomer Hough displays a talent for imaginative plotting and realistic dialogue, and the brisk pacing and cliffhanger ending will keep readers enthralled and eagerly awaiting the next installment.”—Publishers Weekly “Jason M. Hough does a great job with this huge story. The world of Darwin and the Elevator is deliciously complex and satisfying. Skyler, Tania, and all the other characters are delightfully drawn and fun to spend time with. . . . The story unfolds with just the right balance of high adventure, espionage, humor, and emotional truth. . . . As soon as you finish, you’ll want more.”—Analog “A debut novel unlike any other. . . . This is something special. Something iconic. The Darwin Elevator is full of majesty and wonder, mystery and mayhem, colorful characters and insidious schemes.”—SF Signal “Fun, action-packed and entertaining. . . . a sure contender for science fiction debut of the year!”—Pat’s Fantasy Hotlist “Claustrophobic, intense, and satisfying. . . . I couldn’t put this book down. The Darwin Elevator depicts a terrifying world, suspends it from a delicate thread, and forces you to read with held breath as you anticipate the inevitable fall.”—Hugh Howey, New York Times bestselling author of Wool

The Exodus Towers features all the high-octane action and richly imagined characters of The Darwin Elevator—but the stakes have never been higher. The sudden appearance of a second space elevator in Brazil only deepens the mystery about the aliens who provided it: the Builders. Scavenger crew captain Skyler Luiken and brilliant scientist Dr. Tania Sharma have formed a colony around the new Elevator’s base, utilizing mobile towers to protect humans from the Builders’ plague. But they are soon under attack from a roving band of plague-immune soldiers. Cut off from the colony, Skyler must wage a one-man war against the new threat as well as murderous subhumans and thugs from Darwin—all while trying to solve the puzzle of the Builders’ master plan. . . . before it’s too late for the last vestiges of humanity. The new novel set within the action of the Xbox Game Studios video game Gears 5, by New York Times bestselling author Jason Hough. THE OFFICIAL TIE-IN TO THE EXCITING VIDEO GAMES GEARS 5 AND GEARS TACTICS In the aftermath of Settlement 2's destruction, Kait Diaz reels from the near loss of a close friend amid utter defeat at the hands of the Swarm. To move forward, she must choose either to walk the Outsider path of her mother, or rise to her beckoning duty as a Gear, as her father did. As Kait grapples with her circumstance, an unexpected ally illuminates secrets from the past that offer a new perspective. Over four decades before, the two superpowers of Sera - the Coalition of Ordered Governments, and the Union of Independent Republics - wage a bitter, worldwide conflict known as the Pendulum Wars. For nearly a century, the two have fought to wrest control over Sera's most precious energy resource: Imulsion. On the 79th year of the Pendulum Wars, Gabriel Diaz is a decorated Lieutenant Colonel serving the Coalition, assigned to Vectes Naval Base - a fortress that's seen little action despite its close proximity to UIR territory. The island's relative quiet is disturbed when a COG special forces team known as Ghost Squad arrive with a mysterious mission to the nearby island of Knifespire: an unforgiving rock of seemingly no strategic value. When the Ghosts send out a distress call, it's up to Gabe to evacuate them - and what he discovers on Knifespire could change the very course of the Pendulum Wars. There, the Battle of Gatka Ridge will define Gabe's legacy, and shape the future of his daughter, Kait Diaz.
