After last cycle's World Cup Qualifying debacle that ended with the United States missing the festivities back in 2018, fans were hoping for a strong start to the 2022 World Cup Qualifying cycle.

"To understand the history and spirit of America, one must know its wars, its laws, and its presidents. To really understand it, however, one must also know its cheeseburgers, its love songs, and its lawn ornaments. The long-awaited Guide to the United States Popular Culture provides a single-volume guide to the landscape of everyday life in the United States. Scholars, students, and researchers will find in it a valuable tool with which to fill in the gaps left by traditional history. All American readers will find in it, one entry at a time, the story of their lives."--Robert Thompson, President, Popular Culture Association. "At long last popular culture may indeed be given its due within the humanities with the publication of The Guide to United States Popular Culture. With its nearly 1600 entries, it promises to be the most comprehensive single-volume source of information about popular culture. The range of subjects and diversity of opinions represented will make this an almost indispensable resource for humanities and popular culture scholars and enthusiasts alike."--Timothy E. Scheurer, President, American Culture Association "The popular culture of the United States is as free-wheeling and complex as the society it animates. To understand it, one needs assistance. Now that explanatory road map is provided in this Guide which charts the movements and people involved and provides a light at the end of the rainbow of dreams and expectations."--Marshall W. Fishwick, Past President, Popular Culture Association

Features of The Guide to United States Popular Culture: 1,010 pages 1,600 entries 500 contributors
Alphabetic entries Entries range from general topics (golf, film) to specific individuals, items, and events
Articles are supplemented by bibliographies and cross references
Comprehensive index

Presents information about the people, places, birds, insects, flowers, and endangered species associated with each of the fifty states and the nation's capital.

Entries offer profiles of United States presidents, vice presidents, Supreme Court justices, and other significant figures, and information on elections, legislation, Supreme Court decisions, and major issues.

What is the President, Congress, and the Supreme Court really allowed to do? This unique and handy guide includes the documents that guide our government, annotated with accessible explanations from one of America's most esteemed constitutional scholars. Known across the country for his appearance on The Daily Show with Jon Stewart, Professor Richard Beeman is one of the nation's foremost experts on the United States Constitution. In this book, he has produced what every American should have: a compact, fully annotated copy of the Declaration of Independence, the Constitution and amendments, all in their entirety. A marvel of accessibility and erudition, the guide also features a history of the making of the Constitution with excerpts from The Federalist Papers and a look at crucial Supreme Court cases that reminds us that the meaning of many of the specific provisions of the Constitution has changed over time. "Excellent . . . valuable and judicious." -Jill Lepore, The New Yorker

One popular way to collect U.S. coins is to acquire one example of every type. Bowers explores distinct coin designs to help you form your own "type coin" set from the 1790s onward, or perhaps a specialty subset.
