Le Chevalier de Maison-Rouge (translated as The Knight of Maison-Rouge: A Novel of Marie Antoinette or The Knight of the Red House) was written in 1845 by Alexandre Dumas, pre. It is related to a series referred to as the Marie Antoinette romances, though technically not part of that series as the characters of Joseph Balsamo (also known as Cagliostro) and Doctor Gilbert do not appear in the novel, and many of the other series protagonists have died by the start of this novel.
